

INTRODUCTION

Dear Member:

Blue Cross and Blue Shield of South Carolina (BlueCross) is pleased to provide administrative services for your Employer's Group Health Plan as outlined in this Preferred Provider Plan of Benefits. BlueCross provides you and your covered family members with cost-effective healthcare coverage administration both locally and on a nationwide basis.

Please refer to the Benefits outlined in this Plan of Benefits for all your healthcare coverage.

The BlueCross networks offer the best geographic access to Providers and Hospitals of any Preferred Provider Organization (PPO) in the nation. This national coverage is available through the BlueCard® Program in which all BlueCross BlueShield Plans participate. For more Provider information visit our website at www.SouthCarolinaBlues.com.

We welcome you to our family of healthcare coverage through BlueCross and look forward to meeting your healthcare administration needs.

BlueCross® BlueShield® of South Carolina is an independent licensee of the Blue Cross and Blue Shield Association.

VISIT OUR WEBSITE AND MOBILE SITE

Through our Member website, www.SouthCarolinaBlues.com, you can access My Health Toolkit®, a source for instant, personalized Benefits and health information. As a Member, you can take full advantage of this interactive website to complete a variety of self-service transactions online from wherever you have Internet access. ***Need to order replacement Member ID card? Need to check the status of a claim or download claim forms? Need to print an Explanation of Benefits (EOB)?***

You also can use such self-help tools as:

View **real-time status** of your eligibility, deductible, out-of-pocket and any healthcare account balances.

The **Doctor and Hospital Finder** is where you get the most recent information on our network of medical Providers and Hospitals. Search by name, address, gender, specialty and Hospital affiliation. You can also get information about medical schools attended, board certification status, languages spoken, handicap access, maps and driving directions.

Our **Personal Health Record (PHR)** is more than a place to store your health information. Any time a medical or lab claim is processed, the information is fed to your PHR. You can print medication lists, add doctor's appointments and read up-to-date health and wellness articles.

On the go? The My Health Toolkit® mobile website offers Members features designed for smaller smartphone screens. Unlike some mobile tools, as a BlueCross Member, you do not need to download an app. When you want to access the mobile site, simply navigate to www.SouthCarolinaBlues.com on your smartphone.

IMPORTANT INFORMATION ABOUT YOUR HEALTH COVERAGE

Under your Employer's health Plan, the Benefits you receive will depend on whether the Provider of medical services is a Roper St. Francis (RSF) Owned, RSF Affiliated, BlueCross Network or Out-of-Network Provider. You will receive the maximum Benefits that can be paid if you use RSF Owned Providers and you get Preauthorization, when required, before getting medical care. The amount you have to pay will increase when you do not use RSF Owned Providers and if you do not get Preauthorization.

Members of the Blue Cross and Blue Shield Association (BCBSA) attempt to contract with Providers that practice at participating Hospitals. For various reasons, some Providers may elect not to contract as Participating Providers. If you use an Out-of-Network Provider, you have no protection from balance billing from the Provider.

HOW TO FILE CLAIMS

RSF Owned Providers and RSF Affiliated Providers (collectively referred to as “RSF Providers”) and BlueCross Network Providers have agreed to file claims for healthcare services they rendered to you. However, in the event a Provider does not file a claim for such services, it is your responsibility to file the claim. If you choose to use an Out-of-Network Provider, you may be responsible for filing your claim.

Once the claim has been processed, you will have quick access to an EOB through our website or by contacting customer service. An EOB will also be mailed to you. The EOB explains who provided the care, the kind of service or supply received, the amount billed, the Allowable Charge, the Coinsurance rate and the amount paid. It also shows Benefit Year Deductible information and the reasons for denying or reducing a claim.

The only time you must pay a Provider is when you have a Benefit Year Deductible, Coinsurance, Copayment or when you have services or supplies that are not Covered Expenses under your Plan of Benefits. You may also be responsible for any balance billing charges when you use an Out-of-Network Provider.

If you need a claim form, you may obtain one from us at the address below or print a copy from the website. Or, call us at the telephone numbers listed on the previous pages and we will send you a form. After filling out the claim form, send it to the address below:

Please refer to Article XI of the Plan of Benefits for more information on filing a claim.

ARTICLE I - DEFINITIONS

Capitalized terms that are used in this Plan of Benefits shall have the following defined meanings:

Accountable Care Organization (ACO): a group of healthcare Providers who agree to deliver coordinated care and meet performance benchmarks for quality and affordability in order to manage the total cost of care for their Member populations.

Actively at Work: a permanent, full-time Employee who works at least the minimum number of hours per week and the minimum number of weeks per year (each as set forth on the Schedule of Benefits) and who is not absent from work during the initial enrollment period because of a leave of absence or temporary layoff. An absence during the initial enrollment period due to a Health Status-Related Factor will not keep an Employee from qualifying for Actively at Work status.

Administrative Expense Allowance (AEA) Fee: the AEA Fee is a fixed per-claim dollar amount charged by the Host Blue to Corporation for administrative services the Host Blue provides in processing claims for the Employer's Members. The dollar amount is normally based on the type of claim (e.g. institutional, professional, international, etc.) and can also be based on the size of your group enrollment. The amount of the AEA fee is listed on the Schedule A.

Admission: the period of time between a Member's Admission as a patient into a Hospital or Skilled Nursing Facility and the time the Member leaves or is discharged.

Adverse Benefit Determination: any denial, reduction or termination of, or failure to provide or make (in whole or in part) payment for a claim for Benefits, including any such denial, reduction, termination or failure to provide or make payment that is based on a determination of a Member's eligibility to participate in a Plan, and including a denial, reduction or termination of, or failure to provide or make payment (in whole or in part), for a Benefit which results from the application of any utilization review as well as a failure to cover an item or services for which Benefits are otherwise provided because it is determined to be Experimental or Investigational or not Medically Necessary or appropriate. An Adverse Benefit Determination includes any cancellation or discontinuance of coverage that has retroactive effect (whether or not there is an adverse effect on any particular Benefit), except to the extent attributable to a failure to pay any required Premiums or Employee contributions.

Allowable Charge: the amount the Corporation or a licensee of the Blue Cross and Blue Shield Association (BCBSA) agrees to pay a RSF Provider, BlueCross Network Provider or Out-of-Network Provider as payment in full for a service, procedure, supply or equipment. For an Out-of-Network Provider, (i) the Allowable Charge shall not exceed the Maximum Payment and (ii) in addition to the Member's liability for Benefit Year Deductibles, Copayments and/or Coinsurance, the Member may be balance billed by the Out-of-Network Provider for any difference between the Allowable Charge and the Billed Charge.

Alternate Recipient: any Child who is recognized under a Medical Child Support Order as having a right to enroll in this Plan of Benefits.

Ambulatory Surgical Center: a licensed facility that:

1. Has permanent facilities and equipment for the primary purpose of performing surgical procedures on an outpatient basis;
2. Provides treatment by or under the supervision of licensed medical doctors or oral surgeons and provides nursing services when the Member is in the facility;

3. Does not provide inpatient accommodations; and,
4. Is not, other than incidentally, a facility used as an office or clinic for the private practice of a licensed medical doctor or oral surgeon.

Ambulatory Surgical Center includes an endoscopy center.

Behavioral Health Provider: a Provider who renders Mental Health Services and/or Substance Use Disorder Services.

Behavioral Medical Unit: an eight (8) bed unit that supports a very small subset of patients that may have a medical acute condition, but have a secondary mental health type of need.

Benefit Year: the period of time set forth on the Schedule of Benefits. The initial Benefit Year may be more or less than twelve (12) months.

Benefit Year Deductible: the amount, if any, listed on the Schedule of Benefits that must be paid by the Member each Benefit Year before the Employer's Group Health Plan will pay Covered Expenses. The Benefit Year Deductible is subtracted from the Allowable Charge before Coinsurance is calculated. Members must refer to the Schedule of Benefits to determine if the Benefit Year Deductible applies to the Out-of-Pocket Maximum.

Benefit(s): medical services or Medical Supplies that are:

1. Medically Necessary;
2. Preauthorized (when required under this Plan of Benefits or the Schedule of Benefits);

All requirements of the above-referenced definition must be met in order for a health care service to be deemed Medically Necessary. The failure of a health care service to meet any one of the above referenced requirements means, in the discretion of the Corporation or CBA, the health care service does not meet the definition of Medically Necessary/Medical Necessity.

For the purposes of determining Medically Necessary/Medical Necessity:

1. The Corporation and CBA have the discretion to utilize and rely upon any medical and behavioral health (which includes substance use and mental health) standards, policies, guidelines, criteria, protocols, manuals, publications, studies or literature (herein collectively referred to as "criteria"), whether developed by them or others, which in their discretion are determined to be generally accepted by the medical and/or behavioral health community;
2. "Generally accepted standards of medical or behavioral health practice" means United States standards that are based on credible scientific evidence published in peer-reviewed medical and/or behavioral health literature generally recognized by the relevant United States medical or behavioral health community, physician or behavioral health specialty society recommendations, and/or any other factors deemed relevant in the discretion of the Corporation or CBA; and,
3. The Corporation and CBA may use, including but not limited to, Corporate Administrative Medical ("CAM") Policies, Technology Evaluation Center ("TEC") Assessments, Behavioral Health Care Utilization Management Criteria and/or any Care Guidelines or criteria by MCG Health, LLC or affiliated companies which reflect and are clinically appropriate health care services and generally accepted standards of medical and behavioral health practice. ARTICLE II – ELIGIBILITY FOR COVERAGE

A. ELIGIBILITY

1. Every Employee who is Actively at Work and who has completed the Probationary Period on or after the Employer’s Effective Date is eligible to enroll (and to enroll his or her Dependents) for coverage under this Plan of Benefits.
2. If an Employee is not Actively at Work or has not completed the Probationary Period such Employee is eligible to enroll (and to enroll his or her Dependents) beginning on the next day that the Employee:
 - a. Is Actively at Work; and,
 - b. Has completed the Probationary Period.
3. Dependents are not eligible to enroll for coverage under the Plan of Benefits without the sponsorship of an Employee who is enrolled under this Plan of Benefits.
4. Probationary Periods and/or contribution levels will not be based on any factor which discriminates in favor of higher wage Employees as required under federal law.

B. ELECTION OF COVERAGE

Any Employee may enroll for coverage under the Employer’s Group Health Plan for such Employee and such Employee’s Dependents by completing and filing a Membership Application with the Employer. Dependents must be enrolled within thirty-one (31) days of the date on which they first become Dependents. Employees and Dependents may also enroll if eligible under the terms of any Special Enrollment procedure.

The Employee is required to submit a marriage license and file it with the Employer. The Corporation reserves the right to request documentation of such marriage.

The Employee and his/her Domestic Partner are required to complete an Affidavit of Domestic Partnership and file it with the Employer. The Employer and/or Employee will submit the affidavit with the Membership Application to the Corporation.

C. COMMENCEMENT OF COVERAGE

Coverage under the Employer's Group Health Plan will commence as follows, provided that coverage will not be effective more than sixty (60) days before the Corporation received such Employee's Membership Application:

1. Employees and Dependents eligible on the Employer's Effective Date

For Employees (and such Employee's Dependents for whom such Employee has elected coverage) who are Actively at Work prior to and on the Employer's Effective Date, coverage will generally commence on the Plan of Benefits Effective Date.

If the Corporation receives an Employee's Membership Application dated after the Employer's Effective Date, coverage will commence on the date chosen by the Employer.

2. Employees and Dependents Eligible After the Plan of Benefits Effective Date

Employees and Dependents who become eligible for coverage after the Plan of Benefits Effective Date and have elected coverage will have coverage after they have completed the Probationary Period.

3. Dependents Resulting from Marriage or Domestic Partnership

Dependent(s) resulting from the marriage of an Employee or the creation of a domestic partnership must apply for coverage within thirty-one (31) days after marriage or domestic partnership and appropriate Premiums must be paid to the Corporation for such Dependent(s) to have coverage from the date of the marriage or domestic partnership. If a Dependent resulting from a marriage or domestic partnership is not enrolled within thirty-one (31) days after the marriage or domestic partnership, coverage will begin on the date chosen by the Employer and after the payment of the applicable Premium.

A Domestic Partner's Child who has not been legally adopted by Employee must be living with the Employee and Employee's Domestic Partner on a full-time basis in a permanent parent-child relationship. In addition the Child must meet the qualifications of Dependent and Child as described in the Plan of Benefits.

The Employee and/or Employee's Domestic Partner may be required to furnish written proof of a Child's eligibility for coverage as a Domestic Partner's Child.

Domestic Partners are not considered to be tax-qualified dependents by the Internal Revenue Service (IRS) unless they satisfy specific statutory requirements and the Employee declares the Domestic Partner or their children on the Employee's tax return. Therefore, if the Employee elects Domestic Partner coverage, the IRS may tax the Employee for the value of Benefits provided. The Employee should consult his or her own personal tax advisor to determine how these tax implications affect the Employee.

4. Newborn Children

A newborn Child will have coverage upon the date of the Child's birth provided he or she has been enrolled for coverage and the coverage has been paid for under this Plan of Benefits within thirty-one (31) days after the Child's birth for the Child to have coverage from the date of birth. If a newborn Child is not enrolled within the time frame set forth in the prior sentence, coverage will begin on the date chosen by the Employer and upon the payment of the applicable Premium and Administrative Charge.

5. Adopted Children

- b. Coverage shall be retroactive to the Child's date of birth when adoption proceedings have been instituted by the Employee within thirty-one (31) days after the date of the Child's birth and if the Employee has obtained temporary custody of the Child.
- c. For an adopted Child other than a newborn, coverage shall begin when temporary custody of the Child begins. However, such coverage shall only continue for one (1) year unless a decree of adoption is entered in which case coverage shall be extended so long as such Child is otherwise eligible for coverage under the terms of this Plan of Benefits.

If an adopted Child is not enrolled within the time frame set forth in (a)-(c) above, coverage will begin on the date chosen by the Employer and upon the payment of the applicable Premium and Administrative Charge.

6. Special Enrollment

In addition to enrollment under Article II (C)(2-5), the Corporation shall permit an Employee or Dependent who is not enrolled to enroll if each of the following is met:

- b. The Employee stated in writing at the time of enrollment that the reason for declining enrollment was because the Employee or Dependent was covered under a Group Health Plan or had creditable coverage at that time. This requirement shall only apply if the Employer required such a statement at the time the Employee declined coverage and provided the Employee with notice of the requirement and the consequences of the requirement at the time; and,
- c. The Employee or Dependent's coverage described above:
 - i. Was under a COBRA continuation provision and the coverage under the provision was exhausted;
 - ii. Was not under a COBRA continuation provision described in Article II (C)(6)(c)(i) and either the coverage was terminated as a result of loss of eligibility for the coverage (including as a result of legal separation, divorce, death, termination of employment), or reduction in the number of hours of employment, or if the Employer's contributions toward the coverage were terminated;

- iii. The Employee or Dependent requests such enrollment not more than sixty (60) days after either:
 - aa. Date of termination of Medicaid or SCHIP coverage; or,
 - bb. Determination that the Employee or Dependent is eligible for such assistance.

A Member whose Child becomes eligible to enroll in and receive child health assistance under a SCHIP plan also may disenroll the Child from the Plan of Benefits, pursuant to applicable procedures and deadlines established by the state.

The above list is not an all-inclusive list of situations when an Employee or Dependent loses eligibility. For situations other than those listed above see the Employer.

D. DEPENDENT CHILD'S ENROLLMENT

If the Plan pays Benefits for an injury or illness and the Plan determines the Member also received a recovery from the Employer or Employer's Workers' Compensation Carrier by means of a settlement, judgment or other payment for the same injury or illness, the Plan shall have the right of recovery as outlined in Article IX of this Plan of Benefits.

ARTICLE V - COORDINATION OF BENEFITS

A. APPLICABILITY

The coordination of benefits rules are intended to prevent duplicate payments from different Plans that otherwise cover a Member for the same Covered Expenses. The rules determine which is the Primary Plan and which is the Secondary Plan.

Generally, unless a specific rule applies, where a claim is submitted for payment under this Plan of Benefits and one or more other Plans, this Plan of Benefits is the Secondary Plan. Additionally, special rules for the coordination of benefits with Medicare may also apply.

B. COORDINATION OF BENEFITS WITH AUTO INSURANCE

This is a self-funded ERISA Plan which does not provide benefits for claims which are paid or payable under automobile insurance coverage. Automobile insurance coverage shall include, but is not limited to, no-fault, personal injury protection, medical payments, liability, uninsured and underinsured coverage, umbrella or any other insurance coverage which may be paid or payable for the injury or illness.

Although benefits for claims which are paid or payable under automobile insurance coverage are not covered by this Plan of Benefits, the Employer's Group Health Plan/Corporation may, in its sole discretion, agree to extend Benefits to a Member for the injury or illness. In this instance, if a Member has automobile no-fault, personal injury protection or medical payments coverage, or if such coverage is extended to the Member through a group or their own automobile insurance carrier, that coverage is primary to the Plan. The Plan will always be secondary to automobile no-fault, personal injury protection or medical payments coverage plans and the Plan will coordinate benefits for claims which are payable under those automobile policies.

If the Member resides in a state where automobile no-fault, personal injury protection or medical payments coverage is mandatory and the Member does not have the state mandated automobile coverage, the Plan will deny Benefits up to the amount of the state mandated automobile coverage.

This coordination of benefits provision applies whether or not the Member submits a claim under the automobile no-fault, personal injury protection or medical payments coverage.

As a condition of receiving Benefits, the Member must:

1. Immediately notify the Employer's Group Health Plan/Corporation of an injury or illness for which automobile insurance coverage may be liable, legally responsible, or otherwise makes a payment in connection with the injuries or illness;
2. Execute and deliver an accident questionnaire within one hundred eighty (180) days of the accident questionnaire being mailed to the Member;
3. Deliver to the Employer's Group Health Plan/Corporation a copy of your Personal Injury Protection Log, Medical Payments log and/or Medical Authorization within ninety (90) days of being requested to do so;
4. Deliver to the Employer's Group Health Plan/Corporation a copy of the police report, incident or accident report, or any other reports issued as a result of the injuries or illness within ninety (90) days of being requested to do so; and,
5. Cooperate fully with the Employer's Group Health Plan/Corporation in its exercise of its rights under this provision, do nothing that would interfere with or diminish those rights and furnish any information required by the Employer's Group Health Plan/Corporation.

Failure to cooperate with the Plan as required under this section will entitle the Employer's Group Health Plan/Corporation to invoke the Auto Accident Exclusion and deny payment for all claims relating to the injury or illness up to the amount of available or state mandated coverage.

C. ORDER OF DETERMINATION RULES FOR EMPLOYEE MEMBERS

When a Member's claim is submitted under the Employer's Group Health Plan and another Plan, the Employer's Group Health Plan is a Secondary Plan unless:

1. The other Group Health Plan has rules coordinating its benefits with those of the Employer's Group Health Plan;
2. There is a statutory requirement establishing that the Employer's Group Health Plan is the Primary Plan and such statutory requirement is not pre-empted by ERISA; or,
3. Both the other Plan's rules and the Employer's Group Health Plan's rules require that benefits be determined under the Employer's Group Health Plan before those of the other Plan.

D. ADDITIONAL ORDER OF DETERMINATION RULES

The Employer's Group Health Plan coordinates Benefits using the first of the following rules that apply:

1. Dependents
 - a. The Plan that covers an individual as an Employee is the Primary Plan.
2. Dependent Child - Parents not Separated or Divorced

When the Employer's Group Health Plan and another Plan cover the same Child as a Dependent then benefits are determined in the following order:

- a. The Plan of the parent whose birthday falls earlier in the year (month and date) is the Primary Plan.
- b. If both parents have the same birthday, the Plan that has covered a parent longer is the Primary Plan.
- c. If the other Plan does not have the rule described in (a) above but instead has a rule based upon the gender of the parent and if, as a result, the Plan and the Corporation do not agree on the order of benefits, the gender rule in the other Plan will apply.

The "birthday rule" does not use the years of the parents' birth in determining which has the earlier birthday.

3. Dependent Child - Separated or Divorced Parents

If two (2) or more Plans cover a person as a Dependent Child of divorced, separated or unmarried parents, benefits for the Child are determined in the following order:

- a. First, the Plan of the parent with custody of the Child;
- b. Second, the Plan of the parent's Spouse with the custody of the Child;
- c. Third, the Plan of the parent not having custody of the Child;
- d. Fourth, the Plan of the parent's Spouse not having custody of the Child.

Notwithstanding the foregoing, if the specific terms of a court decree state that one of the parents is responsible for the healthcare expenses (or health insurance coverage) of the Child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, that Plan is the Primary Plan. If the parent with responsibility for healthcare expenses has no health insurance coverage for the Dependent Child, but that parent's Spouse does have coverage, the Spouse's Plan is the Primary Plan. This paragraph does not apply with respect to any claim determination period or plan year during which any Benefits are actually paid or provided before the Plan has actual knowledge of the existence of an applicable court decree.

If the specific terms of a court decree state that the parents shall share joint custody without stating that one of the parents is responsible for the healthcare expenses of the Child (or if the order provides that both parents are responsible), the Plans covering the Child shall follow the order of determination rules outlined in Article V(D)(2).

4. Active and Inactive Employees

The Plan that covers a person as an Employee who is neither laid off nor retired or as that Employee's dependent is the Primary Plan. If the Secondary Plan does not have this rule, and if, as a result, the Plans do not agree on the order of Covered Expenses, this rule does not apply.

5. Medicare

The Employer's Group Health Plan is a Primary Plan except where federal law mandates that the Employer's Group Health Plan is the Secondary Plan. Any claims where Medicare is primary must be filed by the Member after Medicare payment is made.

6. Longer and Shorter Length of Coverage

If none of the above rules determines the order of benefits, the Plan that has covered the Member longer is the Primary Plan.

7. COBRA

COBRA allows coverage to begin or continue under certain circumstances if the Member already has or obtains coverage under a Group Health Plan. In these instances, two policies may cover the Member, and the Plan providing COBRA coverage will be the Secondary Plan.

E. EFFECT ON BENEFITS OF THIS PLAN OF BENEFITS

1. The Employer's Group Health Plan as Primary Plan

When the Employer's Group Health Plan is the Primary Plan, the Benefits shall be determined without consideration of the benefits of any other Plan.

2. The Employer's Group Health Plan as Secondary Plan

When the Employer's Group Health Plan is a Secondary Plan, the Benefits will be reduced when the sum of the following exceeds the Covered Expenses in a Benefit Year:

- a. The Covered Expenses in the absence of this coordination of benefits provision; plus
- b. The expenses that would be payable under the other Plan, in the absence of provisions with a purpose like that of this coordination of benefits provision, whether or not a claim is made.

When the sum of these two (2) amounts exceeds the maximum amount payable for Covered Expenses in a Benefit Year, the Covered Expenses will be reduced so that they and the Benefits payable under the Primary Plan do not total more than the Covered Expenses. When the Covered Expenses of the Employer's Group Health Plan are reduced in this manner, each Benefit is reduced in proportion and then charged against any applicable limit of the Employer's Group Health Plan.

3. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be a Covered Expense.
4. The difference between the cost of a private Hospital room and the cost of a semi-private Hospital room is not a Covered Expense unless the Member's Admission in a private Hospital room is Medically Necessary. When benefits are reduced under a Primary Plan because a Member does not comply with the Primary Plan's requirements, the amount of such reduction in benefits will not be a Covered Expense.

F. RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

The Employer's Group Health Plan (including through the Corporation) is entitled to such information as it deems reasonably necessary to apply these coordination of benefit provisions and the Member and the Employer must provide any such information as reasonably requested.

G. PAYMENT

A payment made under another Plan may include an amount that should have been paid under the Employer's Group Health Plan. In such a case, the Employer's Group Health Plan may pay that amount to the organization that made such payment. That amount will then be treated as though it had been paid under the Employer's Group Health Plan. The term "payment" includes providing Benefits in the form of services, in which case "payment" means the reasonable cash value of the Benefits provided in the form of services.

H. RIGHT OF RECOVERY

If the amount of the payments made by the Employer's Group Health Plan is more than the Employer's Group Health Plan should have paid under this Coordination of Benefits section, the Employer's Group Health Plan may recover the excess or overpayment from the Member on whose behalf it has made payments, from a Provider, from any group insurer, Plan, or any other person or organization contractually obligated to such Member with respect to such overpayments.

ARTICLE VI – TERMINATION OF THIS PLAN OF BENEFITS

A. GENERALLY

TERMINATION OF AN EMPLOYEE'S COVERAGE AND ALL OF SUCH EMPLOYEE'S DEPENDENTS' COVERAGE WILL OCCUR ON THE EARLIEST OF THE FOLLOWING CONDITIONS:

1. The date the Employer's Group Health Plan is terminated pursuant to Article VI(B)-(E);
2. The date an Employee retires unless the Employer's Group Health Plan covers such individual as a retiree;
3. The date an Employee ceases to be eligible for coverage as set forth in Article II;

5. In addition to terminating when an Employee's coverage terminates, a Dependent Spouse's coverage terminates on the date of entry of a court order ending the marriage between the Dependent Spouse and the Employee regardless of whether such order is subject to appeal;
6. In addition to terminating when an Employee's coverage terminates, a Child's coverage terminates when that individual no longer meets the definition of a Child under the Employer's Group Health Plan;
7. In addition to terminating when an Employee's coverage terminates, an Incapacitated Dependent's coverage terminates when that individual no longer meets the definition of an Incapacitated Dependent; or,
8. Death of the Employee.
9. In addition to terminating when an Employee's coverage terminates, a Domestic Partner and the children of the Domestic Partner's coverage terminates when the domestic partnership is dissolved. An Affidavit of Termination of Partnership must be completed by the Employee and submitted to the Employer and/or the Corporation within thirty (30) days of dissolution, and the Employer must send a Membership Application to cancel this person from coverage.

All other Plan termination of coverage provisions apply to a Domestic Partner and the children of the Domestic Partner.

B. TERMINATION FOR FAILURE TO PAY PREMIUMS

1. If a Member fails to pay the Premium during the Grace Period, such Member shall automatically be terminated from participation in the Employer's Group Health Plan, without prior notice to such Member.
2. In the event of termination for failure to pay Premiums, Premiums received after termination will not automatically reinstate the Employee in participation under the Employer's Group Health Plan absent written agreement by the Employer. If the Employee's participation in the Employer's Group Health Plan is not reinstated, the late Premium will be refunded to the Employee.

C. TERMINATION WHILE ON LEAVE

During an Employee's leave of absence that is taken pursuant to the Family and Medical Leave Act, the Employer must maintain the same health Benefits as provided to Employees not on leave. The Employee must continue to pay his or her portion of the Premium. If Premiums are not paid by an Employee, coverage ends as of the due date of that Premium contribution.

D. NOTICE OF TERMINATION TO MEMBERS

Other than as expressly required by law, if the Employer's Group Health Plan is terminated for any reason, the Employer is solely responsible for notifying all Members of such termination and that coverage will not continue beyond the termination date.

E. REINSTATEMENT

The Employer's Group Health Plan in its discretion (and upon such terms and conditions as any stop-loss carrier or the Employer may determine) may reinstate coverage under the Employer's Group Health Plan that has been terminated for any reason. If a Member's coverage (and including coverage for the Member's Dependents) for Covered Expenses under the Employer's Group Health Plan terminates while the Member is on leave pursuant to the Family and Medical Leave Act because the Member fails to pay such Member's Premium, the Member's coverage will be reinstated without new Probationary Periods if the Member returns to work immediately after the leave period, re-enrolls and within thirty-one (31) days following such return pays all such Employee's portion of the past due amount and then current Premium.

F. EMPLOYER IS AGENT OF MEMBERS

By accepting Benefits, a Member agrees that the Employer is the Member's agent for all purposes of any notice under Employer's Group Health Plan. The Member further agrees that notifications received from, or given to, the Employer by the Corporation are notification to the Employees except for any notice required by law to be given to the Members by the Corporation.

ARTICLE VII – CONTINUATION OF COVERAGE

A. CONTINUATION

1. COBRA

a. Plan Administrator and Sponsor

The Employer is both the Plan Administrator and Plan Sponsor for the Employer's Group Health Plan. The Employer agrees to offer continuation of coverage pursuant to the provisions of COBRA, if required, to eligible Members while the Employer's Group Health Plan is in force. COBRA requires the Employer to allow eligible individuals to continue their health coverage for eighteen (18), twenty-nine (29) or thirty-six (36) months, depending on the Qualifying Event.

b. Disabled Members

To be eligible for up to twenty-nine (29) months of continuation of coverage due to disability, an Employee or Dependent who:

- i. is determined to be disabled under Title II or XVI of the Social Security Act,
- ii. with a disability onset date either before the COBRA event or within the first sixty (60) days of the COBRA continuation coverage must provide a copy of the notice of the determination of disability to the Employer within:
 - aa. sixty (60) days of the determination of disability; and,
 - bb. before the end of the first eighteen (18) months of COBRA coverage.

Such Employee or Dependent must also notify the Employer within thirty (30) days of any determination that the Employee or Dependent is no longer disabled.

c. Notice of Qualifying Event by the Member

Each Member is responsible for notifying the Employer within sixty (60) days of such Member's Qualifying Event due to divorce, legal separation or when a Dependent ceases dependency. If the Member does not give such notice, the Member is not entitled to continuation coverage.

d. Notice by the Employer to the Member

The Employer must notify the COBRA Administrator no later than thirty (30) days after the date the Member loses coverage due to a COBRA event. The COBRA Administrator must send a COBRA Election Notice to each Member no later than fourteen (14) days after receipt of the notice from the Employer. Notice to the Dependent Spouse is deemed notice to any Dependent of the Spouse.

e. Election of Coverage

Continuation coverage is not automatic. The Member must elect continuation coverage within sixty (60) days of the later of:

- i. The date the Member's coverage under the Employer's Group Health Plan ceases because of the Qualifying Event;
- ii. The date the Member is sent notice by the Employer of the right to elect continuation coverage; or,
- iii. The date the Member becomes an "eligible individual" (as that term is used in the Trade Act of 2002) provided that such election is made not later than six (6) months after the Qualifying Event that gives rise to eligibility under the Trade Act of 2002.

f. Premium Required

The Member will be required to pay a Premium for the continuation coverage and shall have the option to make payment in monthly installments. The Member has forty-five (45) days from the date of election to pay the first Premium, which includes the period when coverage commenced, regardless of the date that the first Premium is due.

The Trade Act of 2002 (TAA) created a new tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired Employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of a percentage of the Premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Customer Contact Center toll free at 1-866-628-4282. TTD/TTY callers may call toll free at 1-866-626-4282. More information about the TAA is also available at www.doleta.gov/tradeact/.

g. Length of COBRA Coverage

The maximum period for continuation coverage for a Qualifying Event involving termination of employment or a reduction in hours is generally eighteen (18) months. An Employee or Dependent who is determined to be disabled under Title II or XVI of the Social Security Act before the COBRA event or within the first sixty (60) days of COBRA continuation coverage is entitled to twenty-nine (29) months of continuation coverage, but only if such Employee or Dependent has provided notice of the determination of disability within sixty (60) days after determination is issued and before the end of eighteen (18) months of coverage. If a second Qualifying Event occurs within this period of continuation coverage, the coverage for any affected Dependent who was a Member under the Employer's Group Health Plan both at the time of the first and the second Qualifying Events may be extended up to thirty-six (36) months from the first Qualifying Event. For all other Qualifying Events, the maximum period of coverage is thirty-six (36) months. Below is a list of circumstances and the period of COBRA coverage for each circumstance.

- i. Eighteen (18) months for Employees whose working hours are reduced, from full-time to part-time for instance and any Dependents who also lose coverage for this reason.
- ii. Eighteen (18) months for Employees who voluntarily quit work and any Dependents who also lose coverage for this reason.
- iii. Eighteen (18) months for Employees who are part of a layoff and any Dependents who also lose coverage for this reason.
- iv. Eighteen (18) months for Employees who are fired, unless the firing is due to gross misconduct, and any Dependents who also lose coverage for this reason.
- v. Twenty-nine (29) months for Employees and all covered Dependents who are determined to be disabled under the Social Security Act during the first sixty (60) days after termination of employment or reduction of hours of employment. Notice of the Social Security Disability determination must be given to the COBRA Administrator within sixty (60) days of the determination of disability and before the end of the first eighteen (18) months of continuation of coverage.
- vi. Thirty-six (36) months for Employees' widows or widowers and their Dependent Children.
- vii. Thirty-six (36) months for legally separated or divorced husbands or wives and their Dependent Children.
- viii. Thirty-six (36) months for Dependent Children who lose coverage because they no longer meet the Plan's definition of a Dependent Child.
- ix. Thirty-six (36) months for Dependents who are not eligible for Medicare when the Employee is eligible for Medicare and no longer has coverage with the Employer. This does not apply to any Employees or their Dependents if the Employee voluntarily quit work. See Article VII(A)(1)(g)(ii) of this section for coverage for Employees who voluntarily quit.

- x. For Plans providing coverage for retired Employees and their Dependents, a special rule applies for such persons who would lose coverage due to the Employer filing for Title 11 Bankruptcy. (Loss of coverage includes a substantial reduction of coverage within a year before or after the bankruptcy filing.) Upon occurrence of such an event, retired Employees and their eligible Dependents may continue their coverage under the Plan until the date of death of the retiree. If a retiree dies while on this special continued coverage, surviving Dependents may elect to continue coverage for up to thirty-six (36) additional months.

2. USERRA

- a. In any case in which an Employee or any of such Employee's Dependents has coverage under the Plan of Benefits, and such Employee is not Actively at Work by reason of active duty service in the uniformed services, the Employee may elect to continue coverage under the Plan of Benefits as provided in this Article VII(A)(2). The maximum period of coverage of the Employee and such Employee's Dependents under such an election shall be the lesser of:
 - i. The twenty-four (24) month period beginning on the date on which the Employee's absence from being Actively at Work by reason of active duty service in the uniformed services begins; or,
 - ii. The day after the date on which the Employee fails to apply for or return to a position of employment, as determined under USERRA.

The continuation of coverage period under USERRA will be counted toward any continuation of coverage period available under COBRA.

- b. An Employee who elects to continue coverage under this section of the Employer's Group Health Plan must pay one hundred and two percent (102%) such Employee's normal Premium. Except that, in the case of an Employee who performs service in the uniformed services for less than thirty-one (31) days, such Employee will pay the normal contribution for the thirty-one (31) days.
- c. An Employee who is qualified for re-employment under the provisions of USERRA will be eligible for reinstatement of coverage under the Employer's Group Health Plan upon re-employment. Except as otherwise provided in this Article upon re-employment and reinstatement of coverage no new exclusion or Probationary Period will be imposed in connection with the reinstatement of such coverage if an exclusion would normally have been imposed. This Article applies to the Employee who is re-employed and to a Dependent who is eligible for coverage under the Employer's Group Health Plan by reason of the reinstatement of the coverage of such Employee.
- d. The Article VII(A)(2)(c) shall not apply to the coverage of any illness or injury determined by the Secretary of Veteran's Affairs to have been incurred in, or aggravated during, performance of service in the uniformed services.

B. QUALIFIED MEDICAL CHILD SUPPORT ORDER

The Employer's Group Health Plan shall pay Covered Expenses in accordance with the applicable requirements of any Qualified Medical Child Support Order.

1. Procedural Requirements

a. Timely Notifications and Determinations

In the case of any Medical Child Support Order received by the Employer's Group Health Plan:

- i. The Employer as the Plan Administrator shall promptly notify the Employee and each Alternate Recipient of the receipt of the Medical Child Support Order and the Corporation's procedures for determining whether Medical Child Support Orders are Qualified Medical Child Support Orders; and,
- ii. Within a reasonable period after receipt of such Qualified Medical Child Support Order, the Employer shall determine whether such order is a Qualified Medical Child Support Order and notify the Employee and each Alternate Recipient of such determination.

b. Establishment of Procedures for Determining Qualified Status of Orders

The Employer as the Plan Administrator shall establish reasonable procedures to determine whether Medical Child Support Orders are Qualified Medical Child Support Orders and to administer the provision of Covered Expenses under such qualified orders. The Employer's procedures:

- i. Shall be in writing;
- ii. Shall provide for the notification of each person specified in a Medical Child Support Order as eligible to receive Benefits under the Plan of Benefits (at the address included in the Medical Child Support Order) of the Employer's procedures promptly upon receipt by the Plan Administrator of the Medical Child Support Order; and,
- iii. Shall permit an Alternate Recipient to designate a representative for receipt of copies of notices that are sent to the Alternate Recipient with respect to a Medical Child Support Order.

c. Actions Taken by Fiduciaries

If a Plan fiduciary for the Employer's Group Health Plan acts in accordance with these procedural requirements in treating a Medical Child Support Order as being (or not being) a Qualified Medical Child Support Order, then the Employer's Group Health Plan obligation to the Member and each Alternate Recipient shall be discharged to the extent of any payment made pursuant to such act of the fiduciary.

2. Treatment of Alternate Recipients

a. Under ERISA

A person who is an Alternate Recipient under any Medical Child Support Order shall be considered a beneficiary under the Employer's Group Health Plan for purposes of any provisions of ERISA, as amended, and shall be treated as a participant under the reporting and disclosure requirements of ERISA.

b. Direct Provision of Benefits Provided to Alternate Recipients

Any payment for Covered Expenses made by the Employer's Group Health Plan pursuant to a Medical Child Support Order in reimbursement for expenses paid by an Alternate Recipient or an Alternate Recipient's custodial parent or legal guardian shall be made to the Alternate Recipient or the Alternate Recipient's custodial parent or legal guardian.

c. Plan Enrollment and Payroll Deductions

If an Employee remains covered under the Employer's Group Health Plan but fails to enroll an Alternate Recipient under the Plan of Benefits after receiving notice of the Qualified Medical Child Support Order from the Employer, the Employer shall enroll the Alternate Recipient and deduct the additional Premium from the Employee's paycheck.

d. Termination of Coverage

Except for any coverage continuation rights otherwise available under the Employer's Group Health Plan, the coverage for the Alternate Recipient shall end on the earliest of:

- i. The date the Employee's coverage ends;
- ii. The date the Qualified Medical Child Support Order is no longer in effect;
- iii. The date the Employee obtains other comparable health coverage through another insurer or Plan to cover the Alternate Recipient; or,
- iv. The date the Employer eliminates family health coverage for all of its Employees.

ARTICLE VIII – SUBROGATION AND REIMBURSEMENT

A. BENEFITS SUBJECT TO THIS PROVISION

This provision shall apply to all Benefits provided under any section of the Plan of Benefits. All Benefits under this Plan are being provided by a self-funded ERISA plan.

B. STATEMENT OF PURPOSE

Subrogation and Reimbursement represent significant Plan assets and are vital to the financial stability of the Plan. Subrogation and Reimbursement recoveries are used to pay future claims by other Plan members. Anyone in possession of these assets holds them as a fiduciary and constructive trustee for the benefit of the Plan. The Employer's Group Health Plan has a fiduciary obligation under ERISA to pursue and recover these Plan assets to the fullest extent possible.

C. DEFINITIONS

1. Another Party

Another Party shall mean any individual or entity, other than this Plan, who is liable or legally responsible to pay expenses, compensation or damages in connection with a Member's injuries or illness.

Another Party shall include the party or parties who caused the injuries or illness; the liability insurer, guarantor or other indemnifier of the party or parties who caused the injuries or illness; a Member's own insurance coverage, such as uninsured, underinsured, medical payments, no-fault, homeowner's, renter's or any other insurer; a workers' compensation insurer or governmental entity; or, any other individual, corporation, association or entity that is liable or legally responsible for payment in connection with the injuries or illness.

2. Member

As it relates to the Subrogation and Reimbursement Provision, a Member shall mean any person, Dependent or representatives, other than the Plan, who is bound by the terms of the Subrogation and Reimbursement Provision herein. A Member shall include but is not limited to any beneficiary, Dependent, Spouse or person who has or will receive Benefits under the Plan, and any legal or personal representatives of that person, including parents, guardians, attorneys, trustees, administrators or executors of an estate of a Member, and heirs of the estate.

3. Recovery

Recovery shall mean any and all monies identified, paid or payable to the Member through or from Another Party by way of judgment, award, settlement, covenant, release or otherwise (no matter how those monies may be characterized, designated or allocated) to compensate for any losses caused by, or in connection with, the injuries or illness. A Recovery exists as soon as any fund is identified as compensation for a Member from Another Party. Any recovery shall be deemed to apply, first, for Reimbursement of the Plan's lien. The amount owed from the Recovery as Reimbursement of the Plan's lien is an asset of the Plan.

4. Reimbursement

Reimbursement shall mean repayment to the Plan of recovered medical or other Benefits that it has paid toward care and treatment of the injuries or illness for which there has been a Recovery.

5. Subrogation

Subrogation shall mean the Plan's right to pursue the Member's claims for medical or other charges paid by the Plan against Another Party.

D. WHEN THIS PROVISION APPLIES

This provision applies when a Member incurs medical or other charges related to injuries or illness caused in part or in whole by the act or omission of the Member or another person; or Another Party may be liable or legally responsible for payment of charges incurred in connection with the injuries or illness; or Another Party may otherwise make a payment without an admission of liability. If so, the Member may have a claim against that other person or Another Party for payment of the medical or other charges. In that event, the Member agrees, as a condition of receiving Benefits from the Plan, to transfer to the Plan all rights to recover damages in full for such Benefits.

E. DUTIES OF THE MEMBER

The Member will execute and deliver all required instruments and papers provided by the Employer's Group Health Plan/Corporation, including an accident questionnaire, as well as doing and providing whatever else is needed, to secure the Plan's rights of Subrogation and Reimbursement, before any medical or other Benefits will be paid by the Plan for the injuries or illness. The Employer's Group Health Plan/Corporation may determine, in its sole discretion, that it is in the Plan's best interests to pay medical or other Benefits for the injuries or illness before these papers are signed (for example, to obtain a prompt payment discount); however, in that event, the Plan will remain entitled to Subrogation and Reimbursement. In addition, the Member will do nothing to prejudice the Plan's right to Subrogation and Reimbursement and acknowledges that the Plan precludes operation of the made-whole and common-fund doctrines. A Member who receives any Recovery (whether by judgment, settlement, compromise, or otherwise) has an absolute obligation to immediately tender the portion of the Recovery subject to the Plan's lien to the Plan under the terms of this provision. A Member who receives any such Recovery and does not immediately tender the Plan's portion of the Recovery to the Plan will be deemed to hold the Plan's portion of the Recovery in constructive trust for the Plan, because the Member is not the rightful owner of the Plan's portion of the Recovery and should not be in possession of the Recovery until the Plan has been fully reimbursed. The portion of the Recovery owed by the Member for the Plan's lien is an asset of the Plan.

As a condition of receiving Benefits, the Member must:

1. Immediately notify the Employer's Group Health Plan/Corporation of an injury or illness for which Another Party may be liable, legally responsible or otherwise makes a payment in connection with the injuries or illness;
2. Execute and deliver an accident questionnaire within one hundred eighty (180) days of the accident questionnaire being mailed to the Member;
3. Deliver to the Employer's Group Health Plan/Corporation a copy of the Personal Injury Protection Log, Medical Payments log and/or Medical Authorization within ninety (90) days of being requested to do so;
4. Deliver to the Employer's Group Health Plan/Corporation a copy of the police report, incident or accident report, or any other reports issued as a result of the injuries or illness within ninety (90) days of being requested to do so;
5. Authorize the Plan to sue, compromise and settle in the Member's name to the extent of the amount of medical or other Benefits paid for the injuries or illness under the Plan and the expenses incurred by the Plan in collecting this amount, and assign to the Plan the Member's rights to Recovery when this provision applies;
6. Include the Benefits paid by the Plan as a part of the damages sought against Another Party. Immediately reimburse the Plan, out of any Recovery made from Another Party, the amount of medical or other Benefits paid for the injuries or illness by the Plan up to the amount of the Recovery and without reduction for attorneys' fees, costs, comparative negligence, limits of collectability or responsibility, or otherwise;
7. Immediately notify the Employer's Group Health Plan/Corporation in writing of any proposed settlement and obtain the Employer's Group Health Plan/Corporation's written consent before signing any release or agreeing to any settlement; and,

8. Cooperate fully with the Employer's Group Health Plan/Corporation in its exercise of its rights under this provision, do nothing that would interfere with or diminish those rights and furnish any information required by the Employer's Group Health Plan/Corporation.

F. FIRST PRIORITY RIGHT OF SUBROGATION AND/OR REIMBURSEMENT

Any amounts recovered will be subject to Subrogation or Reimbursement. The Plan will be subrogated to all rights the Member may have against that other person or Another Party and will be entitled to first priority Reimbursement out of any Recovery to the extent of the Plan's payments. In addition, the Plan shall have a first priority equitable lien against any Recovery to the extent of Benefits paid and to be payable in the future. The Plan's first priority equitable lien supersedes any right that the Member may have to be "made whole." In other words, the Plan is entitled to the right of first Reimbursement out of any Recovery the Member procures or may be entitled to procure regardless of whether the Member has received full compensation for any of his or her damages or expenses, including attorneys' fees or costs and regardless of whether the Recovery is designated as payment for medical expenses or otherwise. Additionally, the Plan's right of first Reimbursement will not be reduced for any reason, including attorneys' fees, costs, comparative or contributory negligence, limits of collectability or responsibility, characterization of Recovery as pain and suffering or otherwise. As a condition to receiving Benefits under the Plan, the Member agrees that acceptance of Benefits is constructive notice of this provision.

G. WHEN A MEMBER RETAINS AN ATTORNEY

An attorney who receives any Recovery (whether by judgment, settlement, compromise, or otherwise) for an injury or illness in which the Plan has paid or will pay Benefits, has an absolute obligation to immediately tender the portion of the Recovery subject to the Plan's equitable lien to the Plan under the terms of this provision. As a possessor of a portion of the Recovery, the Member's attorney holds the Recovery as a constructive trustee and fiduciary and is obligated to tender the Plan's portion of the Recovery immediately over to the Plan. A Member's attorney who receives any such Recovery and does not immediately tender the Plan's portion of the Recovery to the Plan will be deemed to hold the Recovery in constructive trust for the Plan, because neither the Member nor the attorney is the rightful owner of the portion of the Recovery subject to the Plan's lien. The portion of the Recovery owed for the Plan's lien is an asset of the Plan.

If the Member retains an attorney, the Member's attorney must recognize and consent to the fact that this provision precludes the operation of the "made-whole" and "common fund" doctrines, and the attorney must agree not to assert either doctrine against the Plan in his or her pursuit of Recovery. The Plan will not pay the Member's attorneys' fees and costs associated with the recovery of funds, nor will it reduce its Reimbursement pro rata for the payment of the Member's attorneys' fees and costs, without the expressed written consent of the Corporation.

H. WHEN THE MEMBER IS A MINOR OR IS DECEASED OR INCAPACITATED

This Subrogation and Reimbursement Provision will apply with equal force to the parents, trustees, guardians, administrators, or other representatives of a minor, incapacitated, or deceased Member and to the heirs or personal and legal representatives, regardless of applicable law. No representative of a Member listed herein may allow proceeds from a Recovery to be allocated in a way that reduces or minimizes the Plan's claim by arranging for others to receive proceeds of any judgment, award, settlement, covenant, release or other payment or releasing any claim in whole or in part without full compensation therefore or without the prior written consent from the Employer's Group Health Plan/Corporation.

I. WHEN A MEMBER DOES NOT COMPLY

When a Member does not comply with the provisions of this section, the Employer's Group Health Plan/Corporation shall have the authority, in its sole discretion, to deny payment of any claims for Benefits by the Member and to deny or reduce future Benefits payable (including payment of future Benefits for other injuries or illnesses) under the Plan by the amount due as satisfaction for the Reimbursement to the Plan. The Employer's Group Health Plan/Corporation may also, in its sole discretion, deny or reduce future Benefits (including future Benefits for other injuries or illnesses) for the Member under any other group benefits plan maintained by the Employer. The reductions will equal the amount of the required Reimbursement; however, under no circumstances shall the Reimbursement, denial or reduction of Benefits exceed the amount of the Recovery. If the Plan must bring an action against a Member to enforce the provisions of this section, then the Member agrees to pay the Plan's attorneys' fees and costs, regardless of the action's outcome.

J. PRIOR RECOVERIES

In certain circumstances, a Member may receive a Recovery that exceeds the amount of the Plan's payments for past and/or present expenses for treatment of the injuries or illness that is the subject of the Recovery. In other situations, based on the extent of the Member's injuries or illness, the Member may have received a prior Recovery for treatment of the injuries or illness that is the subject of a claim for Benefits under the Plan. In these situations, the Plan will not provide Benefits for any expenses related to the injuries or illness for which compensation was provided through a current or previous Recovery. The Member is required to submit full and complete documentation of any such Recovery in order for the Plan to consider eligible expenses. To the extent a Member's Recovery exceeds the amount of the Plan's lien, the Plan is entitled to deny that amount as an offset against any claims for future Benefits relating to the injuries or illness. In those situations, the Member will be solely responsible for payment of medical bills related to the injuries or illness. The Plan also precludes operation of the made-whole and common-fund doctrines in applying this provision.

The Employer's Group Health Plan/Corporation has sole discretion to determine whether expenses are related to the injuries or illness to the extent this provision applies. Acceptance of Benefits under the Plan for injuries or illness which the Member has already received a Recovery may be considered fraud, and the Member will be subject to any sanctions determined by the Employer's Group Health Plan/Corporation, in their sole discretion, to be appropriate, including denial of present or future Benefits under the Plan.

ARTICLE IX - WORKERS' COMPENSATION PROVISION

This Plan does not provide benefits for diagnosis, treatment or other service for any injury or illness that is sustained or alleged by a Member that arises out of, in connection with, or as the result of, any work for wage or profit when coverage under any Workers' Compensation Act or similar law is required or is otherwise available for the Member. Benefits will not be provided under this Plan if coverage under the Workers' Compensation Act or similar law would have been available to the Member but the Member or the Employer elected exemption from available workers' compensation coverage; waived entitlement to workers' compensation benefits for which he/she is eligible; failed to timely file a claim for workers' compensation benefits; or the Member sought treatment for the injury or illness from a Provider not authorized by the Member's Employer or Workers' Compensation carrier.

Although treatment for work-related or alleged work-related injuries or illness is excluded under this Plan of Benefits, the Employer's Group Health Plan/Corporation may, in its sole discretion, agree to extend Benefits to a Member for the injury or illness. In this instance, the Member agrees, as a condition of receiving Benefits, to reimburse the Plan in full from any workers' compensation recovery as described herein. The Member further agrees as a condition of receiving Benefits, to execute and deliver all required instruments and papers provided by the Employer's Group Health Plan/Corporation, including an accident questionnaire, as well as doing and providing whatever else is needed, to secure the Plan's right of recovery, before any medical or other Benefits will be paid by the Plan for the injuries or illness. The Employer's Group Health Plan/Corporation may determine, in its sole discretion, that it is in the Plan's best interests to pay medical or other Benefits for the injuries or illness before these papers are signed (for example, to obtain a prompt payment discount); however, in that event, the Plan will remain entitled to reimbursement from any workers' compensation recovery the Member may receive.

As a condition of receiving Benefits, the Member must:

1. Immediately notify the Employer's Group Health Plan/Corporation of an injury or illness for which his/her Employer and/or Employers' Workers' Compensation carrier may be liable, legally responsible, or otherwise makes a payment in connection with the injuries or illness;
2. Execute and deliver an accident questionnaire within one hundred eighty (180) days of the accident questionnaire being mailed to the Member;
3. Deliver to the Employer's Group Health Plan/Corporation a copy of the police report, incident or accident report or any other reports issued as a result of the injury or illness within ninety (90) days of being requested to do so;
4. Assert a claim or lawsuit against the Employer and/or Employer's Workers' Compensation carrier or any other insurance coverage to which the Member may be entitled;
5. Include the Benefits paid by the Plan as a part of the damages sought against his/her Employer and/or Employer's Workers' Compensation carrier. Immediately reimburse the Plan, out of any recovery made from the Employer and/or Employer's Workers' Compensation carrier, the amount of medical or other Benefits paid for the injuries or illness by the Plan up to the amount of the recovery and without reduction for attorneys' fees, costs, comparative negligence, limits of collectability or responsibility, or otherwise;
6. Immediately notify the Employer's Group Health Plan/Corporation in writing of any proposed settlement and obtain the Employer's Group Health Plan/Corporation's written consent before signing any release or agreeing to any settlement; and,
7. Cooperate fully with the Employer's Group Health Plan/Corporation in its exercise of its rights under this provision, do nothing that would interfere with or diminish those rights and furnish any information required by the Employer's Group Health Plan/Corporation.

The Employer's Group Health Plan/Corporation has sole discretion to determine whether claims for Benefits submitted to the Plan are related to the injuries or illness to the extent this provision applies. If the Employer's Group Health Plan/Corporation pays Benefits for an injury or illness and the Employer's Group Health Plan/Corporation determines the Member also received a recovery from the Employer and/or Employer's Workers' Compensation carrier by means of a settlement, judgment, or other payment for the same injury or illness, the Member shall reimburse the Plan from the recovery for all Benefits paid by the Plan relating to the injury or illness. However, under no circumstances shall the Member's reimbursement to the Plan exceed the amount of such recovery.

If the Member receives a recovery from the Employer and/or Employer's Workers' Compensation carrier, the Plan's right of reimbursement from the recovery will be applied even if: liability is denied, disputed or is made by means of a compromised, doubtful and disputed, clincher or other settlement; no final determination is made that the injury or illness was sustained in the course of or resulted from the Member's employment; the amount of workers' compensation benefits due to medical or healthcare is not agreed upon or defined by the Member, Employer or the Workers' Compensation carrier; or the medical or healthcare benefits are specifically excluded from the settlement or compromise.

Failure to reimburse the Plan from the recovery as required under this section will entitle the Employer's Group Health Plan/Corporation to invoke the Workers' Compensation exclusion and deny payment for all claims relating to the injury or illness.

ARTICLE X - ERISA RIGHTS

If the Plan of Benefits is covered by ERISA, each Member in the Plan of Benefits is entitled to certain rights and protections under ERISA. ERISA provides that all Members shall be entitled to:

A. RECEIVE INFORMATION ABOUT THE PLAN OF BENEFITS

1. Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Employer's Group Health Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Employer's Group Health Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
2. Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Employer's Group Health Plan, including insurance contracts and collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary Plan description. The Plan Administrator may assess a reasonable charge for the copies.
3. Receive, upon request, a summary of the Employer's Group Health Plan's annual financial report. The Plan Administrator is required by law to furnish each Member with a copy of this summary annual report.

B. CONTINUATION COVERAGE

Members are entitled to continue healthcare coverage for themselves and their Dependents if there is a loss of coverage under the Employer's Group Health Plan as a result of a Qualifying Event. The Member or Dependents may have to pay for such continuation coverage. Employee Members should review the documents governing COBRA continuation coverage rights.

C. PRUDENT ACTIONS BY PLAN FIDUCIARIES

In addition to creating rights for Members, ERISA imposes duties upon the people who are responsible for the operation of an Employee welfare benefit Plan. The people who administer an Employee welfare benefit Plan are called "fiduciaries," and have a duty to do so prudently and in the interest of the Members. The Corporation is the fiduciary of the Employer's Group Health Plan. No one, including the Employer, may fire or otherwise discriminate against a Member in any way to prevent him or her from obtaining a welfare benefit or exercising his or her rights under ERISA.

D. ENFORCEMENT OF EMPLOYEE RIGHTS

1. If a Member's claim for a Benefit is denied or ignored, in whole or in part, such Member has a right to know why this was done, to obtain copies of documents relating to the decision without charge and to appeal any denial, all within certain time schedules.
2. Under ERISA, there are steps a Member can take to enforce the rights described above. For instance, if a Member requests a copy of Plan documents or the latest annual report from the Plan and does not receive them within thirty (30) days, such Member may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay such Member up to \$110 a day until such Member receives the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If a Member has a claim for Benefits that is denied or ignored, in whole or in part, such Member may file suit in a state or federal court. In addition, if a Member disagrees with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a Medical Child Support Order, such Member may file suit in federal court. If it should happen that the Plan fiduciaries misuse the Plan's money, or if a Member is discriminated against for asserting such Member's rights, such Member may seek assistance from the U.S. Department of Labor, or such Member may file suit in a federal court. The court will decide who should pay court costs and legal fees. If a Member is successful, the court may order the person the Member has sued to pay these costs and fees. If the Member loses, the court may order such Member to pay these costs and fees, for example, if it finds such Member's claim is frivolous.
3. No one, including the Employer, the Members' union or any other person, may fire an Employee or otherwise discriminate against an Employee in any way to prevent an Employee from obtaining a Benefit or exercising the Employee's rights under ERISA.

E. ASSISTANCE WITH QUESTIONS

If a Member has any questions about the Employer's Group Health Plan, the Member should contact the Plan Administrator. If a Member has any questions about this statement or about a Member's rights under ERISA, or if a Member needs assistance in obtaining documents from the Plan Administrator, the Member should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in the telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. A Member may also obtain certain publications about the Member's rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

ARTICLE XI - CLAIMS FILING AND APPEAL PROCEDURES

A. CLAIMS FILING PROCEDURES

1. Where a Participating Provider renders services, generally the Participating Provider should either file the claim on a Member's behalf or provide an electronic means for the Member to file a claim while the Member is in the Participating Provider's office. However, the Member is responsible for ensuring that the claim is filed.

2. Written notice of receipt of services on which a claim is based must be furnished to the Corporation, at its address listed in the benefit booklet, within twenty (20) days of the beginning of services, or as soon thereafter as is reasonably possible. Failure to give notice within the time does not invalidate nor reduce any claim if the Member can show that it was not reasonably possible to give the notice within the required time frame and if notice was given as soon as reasonably possible. Upon receipt of the notice, the Corporation will furnish or cause a claim form to be furnished to the Member. If the claim form is not furnished within fifteen (15) days after the Corporation receives the notice, the Member will be deemed to have complied with the requirements of this Plan of Benefits as to proof of loss. The Member must submit written proof covering the character and extent of the services within the time fixed for filing proof of loss.
3. For Benefits not provided by a Participating Provider, the Member is responsible for filing claims with the Corporation. When filing the claims, the Member will need the following:
 - a. A claim form for each Member. Members can get claim forms from a member services representative at the telephone number indicated on the Identification Card or via the Corporation's website, www.SouthCarolinaBlues.com.
 - b. Itemized bills from the Provider (s). These bills should contain all the following:
 - i. Provider's name and address;
 - ii. Member's name and date of birth;
 - iii. Member's Identification Card number;
 - iv. Description and cost of each service;
 - v. Date that each service took place; and,
 - vi. Description of the illness or injury and diagnosis.
 - c. Members must complete each claim form and attach the itemized bill(s) to it. If a Member has other insurance that already paid on the claim(s), the Member should also attach a copy of the other Plan's EOB notice.
 - d. Members should make copies of all claim forms and itemized bills for the Member's records since they will not be returned. Claims should be mailed to the Corporation's address listed on the claim form.
4. The Corporation must receive the claim within ninety (90) days after the beginning of services. Failure to file the claim within the ninety (90) day period, however, will not prevent payment of Covered Expenses if the Member shows that it was not reasonably possible to file the claim timely, provided the claim is filed as soon as is reasonably possible. Except in the absence of legal capacity, claims must be filed no later than twelve (12) months following the date services were received.

5. Receipt of a claim by the Corporation will be deemed written proof of loss and will serve as written authorization from the Member to the Corporation to obtain any medical or financial records and documents useful to the Corporation. The Corporation, however, is not required to obtain any additional records or documents to support payment of a claim and is responsible to pay claims only on the basis of the information supplied at the time the claim was processed. Any party who submits medical or financial reports and documents to the Corporation in support of a Member's claim will be deemed to be acting as the agent of the Member. If the Member desires to appoint an Authorized Representative in connection with such Member's claims, the Member should contact the Corporation for an Authorized Representative form.
6. There are four (4) types of claims: Pre-Service Claims, Urgent Care Claims, Post-Service Claims and Concurrent Care claims. The Employer's Group Health Plan will make a determination for each type of claim within the following time periods:
 - a. Pre-Service Claim
 - i. A determination will be provided in writing or in electronic form within a reasonable period of time, appropriate to the medical circumstances, but no later than fifteen (15) days from receipt of the claim.
 - ii. If a Pre-service Claim is improperly filed or otherwise does not follow applicable procedures, the Member will be sent notification within five (5) days of receipt of the claim.
 - iii. An extension of fifteen (15) days is permitted if the Corporation (on behalf of the Employer's Group Health Plan) determines that, for reasons beyond the control of the Corporation, an extension is necessary. If an extension is necessary the Corporation will notify the Member within the initial fifteen (15) day time period that an extension is necessary, the circumstances requiring the extension, and the date the Corporation expects to render a determination. If the extension is necessary to request additional information, the extension notice will describe the required information. The Member will have at least forty-five (45) days to provide the required information. If the Corporation does not receive the required information within the forty-five (45) day time period, the claim will be denied. The Corporation will make its determination within fifteen (15) days of receipt of the requested information or, if earlier, the deadline to submit the information. If the Corporation receives the requested information after the forty-five (45) days, but within two hundred twenty-five (225) days, the claim will be reviewed as a first level appeal. Reference Article XI(B) for details regarding the appeals process.
 - b. Urgent Care Claim
 - i. A determination will be sent to the Member in writing or in electronic form as soon as possible taking into account the medical exigencies, but no later than seventy-two (72) hours from receipt of the claim.
 - ii. If the Member's Urgent Care Claim is determined to be incomplete, the Member will be sent a notice to this effect within twenty-four (24) hours of receipt of the claim. The Member will then have forty-eight (48) hours to provide the additional information. Failure to provide the additional information within forty-eight (48) hours may result in the denial of the claim.
 - iii. If the Member requests an extension of urgent care Benefits beyond an initially determined period and makes the request at least twenty-four (24) hours prior to the expiration of the original determination period, the Member will be notified within twenty-four (24) hours of receipt of the request for an extension.

c. Post-Service Claim

- i. A determination will be sent within a reasonable time period, but no later than thirty (30) days from receipt of the claim.
- ii. An extension of fifteen (15) days may be necessary if the Corporation (on behalf of the Employer's Group Health Plan) determines that, for reasons beyond the control of the Corporation, an extension is necessary. If an extension is necessary, the Corporation will notify the Member within the initial thirty (30) day time period that an extension is necessary, the circumstances requiring the extension and the date the Corporation expects to render a determination. If the extension is necessary to request additional information, the extension notice will describe the required information. The Member will have at least forty-five (45) days to provide the required information. If the Corporation does not receive the required information within the forty-five (45) day time period, the claim will be denied. The Corporation will make its determination within fifteen (15) days of receipt of the requested information, or, if earlier, the deadline to submit the information. If the Corporation receives the requested information after the forty-five (45) days, but within two hundred twenty-five (225) days, the claim will be reviewed as a first level appeal. Reference Article XI(B) for details regarding the appeals process.

d. Concurrent Care Claim

The Member will be notified if there is to be any reduction or termination in coverage for ongoing care sufficiently in advance of such reduction or termination to allow the Member time to appeal the decision before the Benefits are reduced or terminated.

7. Notice of Determination

- a. If the Member's claim is filed properly, and the claim is in part or wholly denied, the Member will receive notice of an Adverse Benefit Determination, in a culturally and linguistically appropriate manner, that will:
 - i. Include information sufficient to identify the claim involved (including date of service, healthcare Provider, claim amount (if applicable)) and a statement describing the availability, upon request, of the diagnosis and treatment codes and their corresponding meanings;
 - ii. State the specific reason(s) for the Adverse Benefit Determination, including the denial code and its corresponding meaning, as well as a description of the standard (if any) that was used in denying the claim;
 - iii. State that the Member is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records and other information relevant to the Member's claim;
 - iv. Reference the specific Plan of Benefits provisions on which the determination is based;
 - v. Describe additional material or information, if any, needed to complete the claim and the reasons such material or information is necessary;
 - vi. Describe the claims review procedures and the Plan of Benefits and the time limits applicable to such procedures, including a statement of the Member's right to bring a civil action under section 502(a) of ERISA following an Adverse Benefit Determination on review;

- vii. Disclose any internal rule, guideline or protocol relied on in making the Adverse Benefit Determination (or state that such information is available free of charge upon request);
 - viii. If the reason for denial is based on a lack of Medical Necessity or Investigational or Experimental Services exclusion or similar limitation, explain the scientific or clinical judgment for the determination (or state that such information will be provided free of charge upon request);
 - ix. Disclose any internal rule, guideline or protocol relied on in making the Adverse Benefit Determination (or state that such information will be provided free of charge upon request);
 - x. Provide a description of available internal appeals and external review processes, including information regarding how to initiate such appeals;
 - xi. Disclose the availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman established under section 2793 of the Public Health Service Act to assist individuals with the internal claims and appeals and external review processes ERISA; and,
 - xii. Include a statement regarding the Member's right to bring an action under section 502(a) of ERISA.
- b. The Member will be provided, as soon as practicable upon request, the diagnosis and treatment codes and their corresponding meanings, associated with the Adverse Benefit Determination.
 - c. No decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual will be made based upon the likelihood that the individual will support the denial of Benefits.
 - d. The Member will also receive a notice if the claim is approved.

B. APPEAL PROCEDURES FOR AN ADVERSE BENEFIT DETERMINATION

1. Member has one hundred eighty (180) days from receipt of an Adverse Benefit Determination to file an appeal. An appeal must meet the following requirements:
 - a. An appeal must be in writing;
 - b. An appeal must be sent (via U.S. mail) at the address below:

Blue Cross and Blue Shield of South Carolina
 Claims Service Center
 Post Office Box 100300
 Columbia, South Carolina 29202
 - c. The appeal request must state that a formal appeal is being requested and include all pertinent information regarding the claim in question; and,
 - d. An appeal must include the Member's name, address, identification number and any other information, documentation or materials that support the Member's appeal.

1. The Member may submit written comments, documents or other information in support of the appeal, and will (upon request) have access to all documents relevant to the claim. A person other than the person who made the initial decision will conduct the appeal. No deference will be afforded to the initial determination.
2. The Member must raise all issues and grounds for appealing an Adverse Benefit Determination at every stage of the appeals process or such issues and grounds will be deemed permanently waived.
3. If the appealed claim involves an exercise of medical judgment, the Employer will consult with an appropriately qualified healthcare practitioner with training and experience in the relevant field of medicine. If a healthcare professional was consulted for the initial determination, a different healthcare professional will be consulted on the appeal.
5. The final decision on the appeal will be made within the time periods specified below:

- a. Pre-Service Claim

The Corporation (on behalf of the Employer's Group Health Plan) will decide the appeal within a reasonable period of time, taking into account the medical circumstances, but no later than thirty (30) days after receipt of the appeal.

- b. Urgent Care Claim

The Member may request an expedited appeal of an Urgent Care Claim. This expedited appeal request may be made orally, and the Corporation (on behalf of the Employer's Group Health Plan) will communicate with the Member by telephone or facsimile. The Corporation (on behalf of the Employer's Group Health Plan) will decide the appeal within a reasonable period of time, taking into account the medical circumstances, but no later than seventy-two (72) hours after receipt of the request for an expedited appeal.

- c. Post-Service Claim

The Corporation (on behalf of the Employer's Group Health Plan) will decide the appeal within a reasonable period of time, but no later than sixty (60) days after receipt of the appeal.

- d. Concurrent Care Claim

The Corporation (on behalf of the Employer's Group Health Plan) will decide the appeal of Concurrent Care claims within the time frames set forth in Article XI(B)(5)(a-c) depending on whether such claim is also a Pre-Service Claim, an Urgent Care Claim or a Post-Service Claim.

6. Notice of Final Internal Appeals Determination

- a. If a Member's appeal is denied in whole or in part, the Member will receive notice of an Adverse Benefit Determination, in a culturally and linguistically appropriate manner, that will:
 - i. Include information sufficient to identify the claim involved (including date of service, healthcare Provider, claim amount (if applicable)) and a statement describing the availability, upon request, of the diagnosis and treatment codes and their corresponding meanings;

- ii. State specific reason(s) for the Adverse Benefit Determination, including the denial code and its corresponding meaning, as well as a description of the standard (if any) that was used in denying the claim and a discussion of the decision;
 - iii. Reference specific provision(s) of the Plan of Benefits on which the Benefit determination is based;
 - iv. State that the Member is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records and other information relevant to the claim for Benefits;
 - v. Describe any voluntary appeal procedures offered by the Corporation (on behalf of the Employer's Group Health Plan) and the Member's right to obtain such information;
 - vi. Disclose any internal rule, guideline or protocol relied on in making the Adverse Benefit Determination (or state that such information is available free of charge upon request);
 - vii. If the reason for an Adverse Benefit Determination on appeal is based on a lack of Medical Necessity, Investigational or Experimental services or other limitation or exclusion, explain the scientific or clinical judgment for the determination (or state that such information will be provided free of charge upon request);
 - viii. Provide a description of available internal appeals and external review processes, including information regarding how to initiate such appeals;
 - ix. Disclose the availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman established under section 2793 of the Public Health Service Act, to assist individuals with the internal claims and appeals and external review processes ERISA; and,
 - x. Include a statement regarding the Member's right to bring an action under section 502(a) of ERISA.
- b. The Member will also receive, free of charge, any new or additional evidence considered, relied upon or generated in connection with the claim. This evidence will be provided as soon as possible and sufficiently in advance of the date on which the notice of Adverse Benefit Determination is received, to give the Member a reasonable opportunity to respond prior to that date.
 - c. If the Adverse Benefit Determination is based on a new or additional rationale, then the Member will be provided with the rationale, free of charge. The rationale will be provided as soon as possible and sufficiently in advance of the date of the Adverse Benefit Determination to give the Member a reasonable opportunity to respond prior to that date.
 - d. The Member will be provided, as soon as practicable upon request, the diagnosis and treatment codes and their corresponding meanings, associated with the Adverse Benefit Determination.
 - e. No decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual will be made based upon the likelihood that the individual will support the denial of Benefits.
 - f. A Member's claim and appeals will be decided pursuant to a good faith interpretation of the Plan of Benefits, in the best interest of the Member, without taking into account either the amount of the Benefits that will be paid to the Member or the financial impact on the Plan.

- g. The Member will also receive a notice if the claim on appeal is approved.
7. The Employer has retained the Corporation to assist the Employer in making the initial claims determination as well as determinations on appeal as the claims fiduciary. Accordingly, Employer has delegated to the Corporation discretionary authority to construe and interpret questions of related to claims for Benefits under the terms of the Employer's Group Health Plan. The Employer delegates to the Corporation the discretionary authority to make utilization review and precertification determinations for the purpose of making claim decisions under the Plan of Benefits and to interpret and construe the Plan of Benefits as necessary to make such determinations. It is understood and agreed that the Corporation is a fiduciary with respect to its exercise of such discretionary authority. In making its decision, the Corporation will rely on the Plan of Benefits, its internal procedures and will rely on eligibility data provided by the Employer. The Corporation will undertake the responsibility for providing the initial and appellate review and final determination of claims that have been denied in whole or in part in accordance with the rules set forth in applicable federal law and the regulations there under.

C. EXTERNAL REVIEW PROCEDURES

1. After a Member has completed the appeal process, a Member may be entitled to an additional, external review of the Member's claim at no cost to the Member. An external review may be used to reconsider the Member's claim if the Corporation has denied, either in whole or in part, the Member's claim. In order to qualify for external review, the claim must have been denied, reduced, or terminated because:
 - a. It does not meet the requirements for Medical Necessity, appropriateness, healthcare setting, level of care or effectiveness; or,
 - b. It is an Investigational or Experimental Service and it involves a life-threatening or seriously disabling condition.
2. After a Member has completed the appeal process, (and an Adverse Benefit Determination has been made) such Member will be notified in writing of such Member's right to request an external review. The Member should file a request for external review within four (4) months of receiving the notice of the Corporation's decision on the Member's appeal. In order to receive an external review, the Member will be required to authorize the release of such Member's medical records (if needed in the review for the purpose of reaching a decision on Member's claim).
3. Within five (5) business days of the date of receipt of a Member's request for an external review, the Corporation will respond by either:
 - a. Assigning the Member's request for an external review to an independent review organization and forwarding the Members records to such organization; or,
 - b. Notifying the Member in writing that the Member's request does not meet the requirements for an external review and the reasons for the Corporation's decision.
4. The external review organization will take action on the Member's request for an external review within forty-five (45) days after it receives the request for external review from the Corporation.

5. Expedited external reviews are available if the Member's Provider certifies that the Member has a Serious Medical Condition. A Serious Medical Condition, as used in this Article XI(C)(5), means one that requires immediate medical attention to avoid serious impairment to body functions, serious harm to an organ or body part, or that would place the Member's health in serious jeopardy. If the Member may be held financially responsible for the treatment, a Member may request an expedited review of the Corporation's decision if the Corporation's denial of Benefits involves Emergency Services and the Member has not been discharged from the treating Hospital. The independent review organization must make its decision within seventy-two (72) hours after it receives the request for expedited review.

ARTICLE XII - GENERAL PROVISIONS

ADMINISTRATIVE SERVICES ONLY

The Corporation provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims. The Employer's Group Health Plan is a self-funded health Plan and the Employer assumes all financial risk and obligation with respect to claims.

AMENDMENT

Upon thirty (30) days prior written notice, the Employer may unilaterally amend the Employer's Group Health Plan. Increases in the Benefits provided or decreases in the Premium are effective without such prior notice. The Corporation has no responsibility to provide individual notices to each Member when an amendment to the Employer's Group Health Plan has been made.

AUTHORIZED REPRESENTATIVES

A Provider may be considered a Member's authorized representative without a specific designation by the Member when the Preauthorization request is for Urgent Care Claims. A Provider may be a Member's authorized representative with regard to non-Urgent Care Claims only when the Member gives the Corporation or the Provider a specific designation, in a format that is reasonably acceptable to the Employer's Group Health Plan to act as an authorized representative. If the Member has designated an authorized representative, all information and notifications will be directed to that representative unless the Member gives contrary directions.

BLUECARD PROGRAM

I. Out-of-Area Services

Overview

Corporation has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as "Inter-Plan Arrangements." These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association ("BCBSA"). Whenever Members access healthcare services outside the geographic area Corporation serves, the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described generally below.

Typically, when accessing care outside the geographic area Corporation serves, Members obtain care from healthcare Providers that have a contractual agreement (“Participating Providers”) with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (“Host Blue”). In some instances, Members may obtain care from healthcare Providers in the Host Blue geographic area that do not have a contractual agreement (“Non-Participating Providers”) with the Host Blue. Corporation remains responsible for fulfilling its contractual obligations to you. Corporation’s payment practices in both instances are described below.

This disclosure describes how claims are administered for Inter-Plan Arrangements and the fees that are charged in connection with Inter-Plan Arrangements. Note that Dental Care Benefits except when not paid as medical claims/benefits, and those Prescription Drug Benefits or Vision Care Benefits that may be administered by a third party are not processed through Inter-Plan Arrangements.

A. BlueCard® Program

The BlueCard® Program is an Inter-Plan Arrangement. Under this Arrangement, when Members access covered healthcare services within the geographic area served by a Host Blue, the Host Blue will be responsible for contracting and handling all interactions with its Participating Providers. The financial terms of the BlueCard Program are described generally below.

1. Liability Calculation Method Per Claim – In General

a. Member Liability Calculation

Unless subject to a fixed dollar Copayment, the calculation of the Member liability on claims for covered healthcare services will be based on the lower of the Participating Provider's Billed Charges or the negotiated price made available to Corporation by the Host Blue.

b. Employer Liability Calculation

The calculation of the Employer’s liability on claims for covered healthcare services processed through the BlueCard Program will be based on the negotiated price made available to Corporation by the Host Blue under the contract between the Host Blue and the Provider. Sometimes, this negotiated price may be greater for a given service or services than the Billed Charge in accordance with how the Host Blue has negotiated with its Participating Provider(s) for specific healthcare services. In cases where the negotiated price exceeds the Billed Charge, the Employer may be liable for the excess amount even when the Member’s Benefit Year Deductible has not been satisfied. This excess amount reflects an amount that may be necessary to secure (a) the Provider’s participation in the network and/or (b) the overall discount negotiated by the Host Blue. In such a case, the entire contracted price is paid to the Provider, even when the contracted price is greater than the Billed Charge.

2. Claims Pricing

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue’s Provider contracts. The negotiated price made available to Corporation by the Host Blue may be represented by one of the following:

(i) An actual price. An actual price is a negotiated rate of payment in effect at the time a claim is processed without any other increases or decreases; or

(ii) An estimated price. An estimated price is a negotiated rate of payment in effect at the time a claim is processed, reduced or increased by a percentage to take into account certain payments negotiated with the Provider and other claim-and non-claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, Provider refunds not applied on a claim-specific basis, retrospective settlements and performance-related bonuses or incentives; or

(iii) An average price. An average price is a percentage of Billed Charges in effect at the time a claim is processed representing the aggregate payments negotiated by the Host Blue with all of its healthcare Providers or a similar classification of its Providers and other claim-and non-claim-related transactions. Such transactions may include the same ones as noted above for an estimated price.

The Host Blue determines whether it will use an actual, estimated or average price. The use of estimated or average pricing may result in a difference (positive or negative) between the price the Employer pays on a specific claim and the actual amount the Host Blue pays to the Provider. However, the BlueCard Program requires that the amount paid by the Member and Employer is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims.

Any positive or negative differences in estimated or average pricing are accounted for through variance accounts maintained by the Host Blue and are incorporated into future claim prices. As a result, the amounts charged to the Employer will be adjusted in a following year, as necessary, to account for over- or underestimation of the past years' prices. The Host Blue will not receive compensation from how the estimated price or average price methods, described above, are calculated. Because all amounts paid are final, neither positive variance account amounts (funds available to be paid in the following year), nor negative variance amounts (the funds needed to be received in the following year), are due to or from the Employer. If the Employer terminates, you will not receive a refund or charge from the variance account.

Variance account balances are small amounts relative to the overall paid claims amounts and will be liquidated over time. The timeframe for their liquidation depends on variables, including, but not limited to, overall volume/number of claims processed and variance account balance. Variance account balances may earn interest at the federal funds or similar rate. Host Blues may retain interest earned on funds held in variance accounts.

3. BlueCard Program Fees and Compensation

The Employer understands and agrees to reimburse Corporation for certain fees and compensation which Corporation is obligated under the BlueCard Program to pay to the Host Blues, to BCBSA and/or to vendors of BlueCard Program-related services. The specific BlueCard Program fees and compensation that are charged to Corporation are set forth in Schedule A. BlueCard Program Fees and compensation may be revised from time to time.

B. Special Cases: Value-Based Programs

Value-Based Programs Overview

The Employer's Members may access covered healthcare services from Providers that participate in a Host Blue's VBP. VBPs may be delivered either through the BlueCard Program or a Negotiated Arrangement. These VBPs may include, but are not limited to, Accountable Care Organizations, Global Payment/Total Cost of Care arrangements, Patient Centered Medical Homes and Value-Based Shared Savings arrangements.

Value-Based Programs under the BlueCard Program

Value-Based Programs Administration

Under VBPs, a Host Blue may pay Providers for reaching agreed-upon cost/quality goals in the following ways:

The Host Blue may pass these Provider payments to Corporation, which Corporation will pass directly on to the Employer as either an amount included in the price of the claim or an amount charged separately in addition to the claim.

When such amounts are included in the price of the claim, the claim may be billed using one of the following pricing methods, as determined by the Host Blue:

(i) Actual Pricing: The charge to accounts for VBP incentives/Value-Based Shared Savings settlements is part of the claim. These charges are passed to the Employer via an enhanced Provider fee schedule.

(ii) Supplemental Factor: The charge to accounts for VBPs incentives/Shared Savings settlements is a supplemental amount that is included in the claim as an amount based on a specified supplemental factor (e.g., a small percentage increase in the claim amount). The supplemental factor may be adjusted from time to time.

When such amounts are billed separately from the price of the claim, they may be billed as follows:

- Where Host Blues pass on the costs of VBPs to Corporation as PMPM amounts not attached to specific claims, Corporation may elect to pass these amounts to the Employer.

The amounts used to calculate either the supplemental factors for estimated pricing or PMPM billings are fixed amounts that are estimated to be necessary to finance the cost of a particular VBP. Because amounts are estimates, there may be positive or negative differences based on actual experience, and such differences will be accounted for in a variance account maintained by the Host Blue (in the same manner as described in the BlueCard claim pricing section above) until the end of the applicable VBP payment and/or reconciliation measurement period. The amounts needed to fund a VBP may be changed before the end of the measurement period if it is determined that amounts being collected are projected to exceed the amount necessary to fund the program or if they are projected to be insufficient to fund the program.

At the end of the VBP payment and/or reconciliation measurement period for these arrangements, Host Blues will take one of the following actions:

- Use any surplus in funds in the variance account to fund VBP payments or reconciliation amounts in the next measurement period.
- Address any deficit in funds in the variance account through an adjustment to the PMPM billing amount or the reconciliation billing amount for the next measurement period.

The Host Blue will not receive compensation resulting from how estimated, average or PMPM price methods, described above, are calculated. If the Employer terminates, you will not receive a refund or charge from the variance account. This is because any resulting surpluses or deficits would be eventually exhausted through prospective adjustment to the settlement billings in the case of VBPs. The measurement period for determining these surpluses or deficits may differ from the term of this Agreement.

Variance account balances are small amounts relative to the overall paid claims amounts and will be liquidated over time. The timeframe for their liquidation depends on variables, including, but not limited to, overall volume/number of claims processed and variance account balance. Variance account balances may earn interest, and interest is earned at the federal funds or similar rate. Host Blues may retain interest earned on funds held in variance accounts.

Members will not bear any portion of the cost of VBPs except when a Host Blue uses either average pricing or actual pricing to pay Providers under VBPs.

Care Coordinator Fees

Host Blues may also bill Corporation for Care Coordinator Fees for Provider services which we will pass on to the Employer as follows:

1. PMPM billings; or

2. Individual claim billings through applicable Care Coordination codes from the most current editions of either Current Procedural Terminology (CPT) published by the American Medical Association (AMA) or Healthcare Common Procedure Coding System (HCPCS) published by the U.S. Centers for Medicare and Medicaid Services (CMS).

As part of this Agreement, Corporation and the Employer will not impose Member cost sharing for Care Coordinator Fees.

Value-Based Programs under Negotiated Arrangements

If Corporation has entered into a Negotiated National Account Arrangement with a Host Blue to provide VBPs to the Employer's Members, Corporation will follow the same procedures for VBPs administration and Care Coordination Fees as noted in the BlueCard Program section.

For negotiated arrangements, when Control/Home Licensees have negotiated with accounts to waive Member cost sharing for Care Coordinator Fees, the following provision will apply: As part of this Agreement, Corporation and the Employer may agree to waive Member cost sharing for Care Coordinator Fees.

C. Return of Overpayments

Recoveries of overpayments can arise in several ways, including, but not limited to, anti-fraud and abuse recoveries, audits/healthcare Provider/hospital bill audits, credit balance audits, utilization review refunds and unsolicited refunds. Recoveries will be applied so that corrections will be made, in general, on either a claim-by-claim or prospective basis. If recovery amounts are passed on a claim-by-claim basis from a Host Blue to Corporation they will be credited to the Employer's account. In some cases, the Host Blue will engage a third party to assist in identification or collection of recovery amounts. The fees of such a third party may be charged to the Employer as a percentage of the recovery.

Voluntary Amendment Language Unless otherwise agreed to by the Host Blue, for retroactive cancellations of membership, Corporation will request the Host Blue to provide full refunds from Participating Providers for a period of only one year after the date of the Inter-Plan financial settlement process for the original claim. For Care Coordinator Fees associated with VBPs, Corporation will request such refunds for a period of only up to ninety (90) days from the termination notice transaction on the payment innovations delivery platform. In some cases, recovery of claim payments associated with a retroactive cancellation may not be possible if, as an example, the recovery (a) conflicts with the Host Blue's state law or healthcare Provider contracts, (b) would result from Value-Based Shared Savings and/or Provider Incentive arrangements or (c) would jeopardize the Host Blue's relationship with its Participating Providers, notwithstanding to the contrary any other provision of this Agreement.

D. Inter-Plan Programs: Taxes/Surcharges/Fees

In some instances laws or regulations may impose a surcharge, tax or other fee that applies to self-funded accounts. If applicable, Corporation will disclose any such surcharge, tax or other fee to the Employer, which will be the Employer's liability.

E. Non-Participating Providers Outside Corporation's Service Area

1. Member Liability Calculation

a. In General

When covered healthcare services are provided outside of Corporation's service area by Non-Participating Providers, the amount(s) a Member pays for such services will be based on either the Host Blue's Non-Participating Provider local payment or the pricing arrangements required by applicable law. In these situations, the Member may be responsible for the difference between the amount that the Non-Participating Provider bills and the payment Corporation will make for the covered services as set forth in this paragraph. Payments for out-of-network Emergency Services will be governed by applicable law.

b. Exceptions

In some exception cases, at the Employer's direction Corporation may pay claims from Non-Participating Providers outside of Corporation's service area based on the Provider's Billed Charge. This may occur in situations where a Member did not have reasonable access to a Participating Provider, as determined by Corporation or by applicable law. In other exception cases, at the Employer's direction Corporation may pay such claims based on the payment Corporation would make if Corporation were paying a Non-Participating Provider inside of Corporation service area. This may occur where the Host Blue's corresponding payment would be more than Corporation in-service area Non-Participating Provider payment. Corporation may choose to negotiate a payment with such a Provider on an exception basis.

Unless otherwise stated, in any of these exception situations, the Member may be responsible for the difference between the amount that the Non-Participating Provider bills and the payment Corporation will make for the covered services as set forth in this paragraph.

2. Fees and Compensation

The Employer understands and agrees to reimburse Corporation for certain fees and compensation which we are obligated under applicable Inter-Plan Arrangement requirements to pay to the Host Blues, to BCBSA and/or to vendors of Inter-Plan Arrangement-related services. The specific fees and compensation that are charged to the Employer are set forth in Schedule A. Fees and compensation under applicable Inter-Plan Arrangements may be revised from time to time.

F. BlueCard Worldwide® Program

1. General Information

If Members are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands (hereinafter: "BlueCard service area"), they may be able to take advantage of the BlueCard Worldwide Program when accessing covered healthcare services. The BlueCard Worldwide Program is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the BlueCard Worldwide Program assists Members with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when Members receive care from Providers outside the BlueCard service area, the Members will typically have to pay the Providers and submit the claims themselves to obtain reimbursement for these services.

Inpatient Services

In most cases, if Members contact the BlueCard Worldwide Service Center for assistance, hospitals will not require Members to pay for covered inpatient services, except for their cost-share amounts/Benefit Year Deductibles, coinsurance, etc. In such cases, the hospital will submit Member claims to the BlueCard Worldwide Service Center to initiate claims processing. However, if the Member paid in full at the time of service, the Member must submit a claim to obtain reimbursement for covered healthcare services/Covered Services.

Outpatient Services

Physicians, urgent care centers and other outpatient Providers located outside the BlueCard service area will typically require Members to pay in full at the time of service. Members must submit a claim to obtain reimbursement for covered healthcare services.

Submitting a BlueCard Worldwide Claim

When Members pay for covered healthcare services outside the BlueCard service area, they must submit a claim to obtain reimbursement. For institutional and professional claims, Members should complete a BlueCard Worldwide International claim form and send the claim form with the Provider's itemized bill(s) to the BlueCard Worldwide Service Center address on the form to initiate claims processing. The claim form is available from Corporation, the BlueCard Worldwide Service Center, or online at www.bluecardworldwide.com. If Members need assistance with their claim submissions, they should call the BlueCard Worldwide Service Center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

2. BlueCard Worldwide Program-Related Fees

The Employer understands and agrees to reimburse Corporation for certain fees and compensation which we are obligated under applicable Inter-Plan Arrangement requirements to pay to the Host Blues, to BCBSA and/or to vendors of Inter-Plan Arrangement-related services. The specific fees and compensation that are charged to the Employer under the BlueCard Worldwide Program are set forth in Schedule A. Fees and compensation under applicable Inter-Plan Arrangements may be revised from time to time.

CLERICAL ERRORS

Clerical errors by the Corporation or the Employer will not cause a denial of Benefits that should otherwise have been granted, nor will clerical errors extend Benefits that should otherwise have ended.

DISCLOSURE OF PHI TO PLAN SPONSOR

The Employer's Group Health Plan will disclose (or will require BlueCross to disclose) Member's PHI to the Plan Sponsor only to permit the Plan Sponsor to carry out plan administration functions for the Employer's Group Health Plan not inconsistent with the requirements of HIPAA. Any disclosure to and use by the Plan Sponsor will be subject to and consistent with the provisions of paragraphs A and B of this section.

A. Restrictions on Plan Sponsor's Use and Disclosure of PHI.

1. The Plan Sponsor will neither use nor further disclose Member's PHI, except as permitted or required by the Plan Documents, as amended, or required by law.
2. The Plan Sponsor will ensure that any agent, including any subcontractor, to whom it provides Member PHI agrees to the restrictions and conditions of the Plan of Benefits, with respect to Member's PHI.
3. The Plan Sponsor will not use or disclose Member PHI for employment-related actions or decisions or in connection with any other benefit or Employee benefit Plan of the Plan Sponsor.
4. The Plan Sponsor will report to Employer's Group Health Plan any use or disclosure of Member PHI that is inconsistent with the uses and disclosures allowed under this section promptly upon learning of such inconsistent use or disclosure.

5. The Plan Sponsor will make PHI available to the Member who is the subject of the information in accordance with HIPAA.
6. The Plan Sponsor will make Member PHI available for amendment, and will on notice amend Member PHI, in accordance with HIPAA.
7. The Plan Sponsor will track disclosures it may make of Member PHI so that it can make available the information required for the Employer's Group Health Plan to provide an accounting of disclosures in accordance with HIPAA.
8. The Plan Sponsor will make its internal practices, books and records, relating to its use and disclosure of Member PHI, to the Plan and to the U.S. Department of Health and Human Services to determine compliance with HIPAA.
9. The Plan Sponsor will, if feasible, return or destroy all Member PHI, in whatever form or medium (including in any electronic medium under the Plan Sponsor's custody or control), received from the Employer's Group Health Plan, including all copies of and any data or compilations derived from and allowing identification of any Member who is the subject of the PHI, when the Member's PHI is no longer needed for the Plan administration functions for which the disclosure was made. If it is not feasible to return or destroy all Member PHI, the Plan Sponsor will limit the use or disclosure of any Member PHI it cannot feasibly return or destroy to those purposes that make the return or destruction of the information infeasible.
10. The Plan Sponsor will implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of the ePHI that Plan Sponsor creates, receives, maintains or transmits on behalf of the Employer's Group Health Plan.
11. The Plan Sponsor will ensure that any agent, including a subcontractor, to whom Plan Sponsor provides ePHI (that Plan Sponsor creates, receives, maintains or transmits on behalf of the Employer's Group Health Plan), agrees to implement reasonable and appropriate security measures to protect this information.
12. Plan Sponsor shall report any security incident of which it becomes aware to the Employer's Group Health Plan as provided below.
 - i. In determining how and how often Plan Sponsor shall report security incidents to Employer's Group Health Plan, both Plan Sponsor and Employer's Group Health Plan agree that unsuccessful attempts at unauthorized access or system interference occur frequently and that there is no significant benefit for data security from requiring the documentation and reporting of such unsuccessful intrusion attempts. In addition, both parties agree that the cost of documenting and reporting such unsuccessful attempts as they occur outweigh any potential benefit gained from reporting them. Consequently, both Plan Sponsor and Employer's Group Health Plan agree that this Agreement shall constitute the documentation, notice and written report of any such unsuccessful attempts at unauthorized access or system interference as required above and by 45 C.F.R. Part 164, Subpart C and that no further notice or report of such attempts will be required. By way of example (and not limitation in any way), the Parties consider the following to be illustrative (but not exhaustive) of unsuccessful security incidents when they do not result in unauthorized access, use, disclosure, modification, or destruction of ePHI or interference with an information system:
 - aa. Pings on a Party's firewall;
 - bb. Port scans;

- cc. Attempts to log on to a system or enter a database with an invalid password or username;
 - dd. Denial-of-service attacks that do not result in a server being taken offline; and,
 - ee. Malware (e.g., worms, viruses).
- ii. Plan Sponsor shall, however, separately report to Employer's Group Health Plan (i) any successful unauthorized access, use, disclosure, modification or destruction of the Group Health Plan's ePHI of which Plan Sponsor becomes aware if such security incident either (a) results in a breach of confidentiality; (b) results in a breach of integrity but only if such breach results in a significant, unauthorized alteration or destruction of Group Health Plan's ePHI; or (c) results in a breach of availability of Group Health Plan's ePHI, but only if said breach results in a significant interruption to normal business operations. Such reports will be provided in writing within ten (10) business days after Plan Sponsor becomes aware of the impact of such security incident upon Group Health Plan's ePHI.

B. Adequate Separation between the Plan Sponsor and the Employer's Group Health Plan.

1. Only Employees or other workforce members under the control of the Plan Sponsor ("Employees") who, in the normal course of their duties, assist in the administration of Employee Benefits or the Employer's Group Health Plan or the Employer's Group Health Plan finances or other classes of Employees as designated in writing by the Plan Sponsor may be given access to Member PHI received from the Employer's Group Health Plan or business associate servicing the Employer's Group Health Plan.
2. These Employees will have access to Member PHI only to perform the Plan administration functions that the Plan Sponsor provides for the Employer's Group Health Plan.
3. These Employees will be subject to disciplinary action and sanctions, including termination of employment or affiliation with the Plan Sponsor, for any use or disclosure of Member PHI in breach or violation of or noncompliance with the provisions of this section to the Plan of Benefits. Plan Sponsor will promptly report such breach, violation or noncompliance to the Employer's Group Health Plan, and will cooperate with the Employer's Group Health Plan to correct the breach, violation or noncompliance, to impose appropriate disciplinary action or sanctions on each Employee or other workforce member causing the breach, violation or noncompliance, and to mitigate any deleterious effect of the breach, violation or noncompliance on any Member, the privacy of whose PHI may have been compromised by the breach, violation or noncompliance.
4. The Plan Sponsor will ensure that the separation required by the above provisions will be supported by reasonable and appropriate security measures.

Plan Sponsor certifies that the Plan of Benefits contains and that the Plan Sponsor agrees to the provisions outlined above.

GOVERNING LAW

The Employer's Group Health Plan (including the Schedule of Benefits) is governed by and subject to applicable federal law. If and to the extent that federal law does not apply, the Employer's Group Health Plan is governed by and subject to the laws of the State of South Carolina. If federal law conflicts with any state law, then such federal law shall govern. If any provision of the Employer's Group Health Plan conflicts with such law, the Employer's Group Health Plan shall automatically be amended solely as required to comply with such state or federal law.

IDENTIFICATION CARD

A Member must present his or her Identification Card prior to receiving Benefits.

Identification Cards are for identification only. Having an Identification Card creates no right to Benefits or other services. To be entitled to Benefits, the cardholder must be a Member whose Premium has been paid. Any person receiving Covered Expenses to which the person is not entitled will be responsible for the charges.

INFORMATION AND RECORDS

The Corporation and the Employer are entitled to obtain such medical and Hospital records as may reasonably be required from any Provider incident to the treatment, payment and healthcare operations for the administration of the Benefits hereunder and the attending Provider's certification as to the Medical Necessity for care or treatment.

LEGAL ACTIONS

No Member may bring an action at law or in equity to recover on the Employer's Group Health Plan until such Member has exhausted the appeal process as set forth in Article XI. No such action may be brought after the expiration of any applicable period prescribed by law.

MEMBERSHIP APPLICATION

The Corporation will only accept a Membership Application submitted by the Employer on behalf of its Employees. The Corporation will not accept Membership Applications directly from Employees or Dependents.

NEGLIGENCE OR MALPRACTICE

The Corporation and Employer do not practice medicine. Any medical treatment, service or Medical Supplies rendered to or supplied to any Member by a Provider is rendered or supplied by such Provider and not by the Corporation or the Employer. The Corporation and Employer are not liable for any improper or negligent act, inaction or act of malfeasance of any Provider in rendering such medical treatment, service, Medical Supply or medication.

NOTICES

Except as otherwise provided in the Employer's Group Health Plan, any notice under the Employer's Group Health Plan may be given by United States registered or certified mail, postage paid, return receipt requested or nationally recognized carrier and addressed:

1. To the Corporation:

Blue Cross and Blue Shield of South Carolina
P.O. Box 100300
Columbia, South Carolina 29202

2. To a Member: To the last known name and address listed for the Employee related to such Member on the Membership Application. Members are responsible for notifying the Corporation of any name or address changes within thirty-one (31) days of the change.
3. To the Employer: To the name and address last given to the Corporation. The Employer is responsible for notifying the Corporation and Members of any name or address change within thirty-one (31) days of the change.

NO WAIVER OF RIGHTS

On occasion, the Corporation (on behalf of the Employer's Group Health Plan) or the Employer may, at their discretion, choose not to enforce all of the terms and conditions of the Employer's Group Health Plan. Such a decision does not mean the Employer's Group Health Plan or Employer waives or gives up any rights under the Employer's Group Health Plan in the future.

OTHER INSURANCE

Each Member must provide the Employer's Group Health Plan (and its designee, including the Corporation) and Employer with information regarding all other health insurance coverage to which such Member is entitled.

PAYMENT OF CLAIMS

A Member is expressly prohibited from assigning any right to payment of Covered Expenses or any payment related to Benefits. The Employer's Group Health Plan may pay all Covered Expenses directly to the Member upon receipt of due proof of loss when a Non-Participating Provider renders services. When payment is made directly to the Member, the Member is responsible for any payment to the Provider. Where a Member has received Benefits from a Participating Provider, the Employer's Group Health Plan will pay Covered Expenses directly to such Participating Provider.

PHYSICAL EXAMINATION

The Employer's Group Health Plan has the right to have examined, at their own expense, a Member whose injury or sickness is the basis of a claim (whether pre-service, post-service, concurrent or urgent care). Such physical examination may be made as often as the Employer's Group Health Plan (through its designee, including the Corporation) may reasonably require while such claim for Benefits or request for Preauthorization is pending.

REPLACEMENT COVERAGE

If the Employer's Group Health Plan replaced the Employer's prior Plan, all eligible persons who were validly covered under that Plan on its termination date will be covered on the Plan of Benefits Effective Date of the Employer's Group Health Plan, provided such persons are enrolled for coverage as stated in Article II.
