2. Changing the Face Amount;
3. Requesting a Loan;
4. Assigning any right or benefit under this Certificate;
5. Reinstating coverage that has Lapsed, subject to the Reinstatement provision;

7. Exercising an option under any Rider attached to this Certificate;
8. Continuing coverage under the Portability Option provision; and
9. Transferring ownership.

If you, as the Owner, are not the Insured, and you die before the Insured, the executor or administrator of your estate will have these rights.

BENEFICIARY PROVISIONS

Who Receives the Death Benefit - If the Insured dies while this Certificate is in force, we will pay the Death Benefit to the Beneficiary, subject to the provisions of this Certificate. The Beneficiary will be as designated on the Application for this insurance coverage, unless changed as provided under the How to Change the Beneficiary provision.

If a Beneficiary is Not Named in the Application or the Stated Beneficiary Dies - The interest of any Beneficiary who dies before the Insured will end at the death of the Beneficiary. Except to the degree that benefits have already been paid, the interest of any Beneficiary who dies at the time of, or within 30 days after, the Insured's death will end at their death. If the interest of all named Beneficiaries has ended, or if a Beneficiary was not named in the original Application, benefits will be payable to the Insured's survivors in the following order of preference:

1. Spouse or Other Adult Dependent;
2. Child(ren) (in equal amounts);
3. Parents (in equal amounts);
4. Siblings (in equal amounts);
5. The Owner; or
6. The executor or administrator of the Owner's estate.

The existence of multiple Beneficiaries will not increase the benefit payable.

Protection of the Death Benefit - To the extent permitted by law, the Death Benefit will not be subject to the claims of the Beneficiary's creditors or to any legal process against the Beneficiary.

Facility of Payment - We may pay all or part of the Death Benefit to any person who paid any expense in connection with the Insured's last illness or death. That person must give us a copy of the receipt describing the expense and the amount paid for such expense. Reimbursement will not exceed \$500. The Death Benefit will be reduced by any payment made under this provision.

How to Change the Beneficiary - You may change the Beneficiary at any time while the Insured is living. The change must be in writing on a form approved by us. The change will not be effective until the date it is recorded. If the Insured is not living on the date the change is recorded, the change will be effective on the date you signed it. However, any benefits paid before the change is recorded will not be subject to it.

DEATH BENEFIT

Death Benefit Options - You have a choice of two different Death Benefit options -- Option A and Option B. If you did not choose a Death Benefit option on the Application or Enrollment Form, Death Benefit Option A automatically applies. The Death Benefit option will be shown on the Contract Data Pages. Once the Death Benefit Option has been chosen, it cannot be changed.

Death Benefit Option A - The Death Benefit will be the greater of:

1. The Face Amount on the date the Insured dies; or
2. The Death Benefit factor multiplied by the Accumulation Value on the date of the Insured's death.

Death Benefit Option B - The Death Benefit will be the greater of:

1. The Face Amount plus the Accumulation Value on the date the Insured dies; or
2. The Death Benefit factor multiplied by the Accumulation Value on the date of the Insured's death.

The Accumulation Value is fully explained in the Contract Values section of this Certificate. You will find the Death Benefit factors in the Tables section in the Contract Data Pages. The Death Benefit factors vary by the Insured's Age and Class of Risk.

Adjustments to the Death Benefit - We will reduce the Death Benefit by: (1) the amount of any outstanding Loans on the date the Insured dies; and (2) the monthly deductions due during the Grace Period. The Death Benefit may also be affected by partial surrenders, the election of a nonforfeiture option, or error in Age or tobacco use status.

Increase in the Face Amount - After this coverage has been in force for a year, you may, upon written request, increase the Face Amount. Any increase will be subject to our underwriting requirements as well as the Suicide Exclusion and Incontestability provisions in the General Provisions of this Certificate. Only one change to the Face Amount will be allowed per year.

If we approve the request, the effective date of the increase will be the Monthly Date that coincides with or next follows the date of our approval. The increase will have its own Surrender Charge Period, beginning on the effective date of the increase.

Decrease in the Face Amount - After this coverage has been in force for a year, you may, upon written request, decrease the Face Amount. The decrease will be applied to any increases in the reverse order in which they occurred. However, no decrease in Face Amount will be allowed if the resulting Death Benefit would be less than the minimum Death Benefit allowed by the Company. Only one change to the Face Amount will be allowed per year.

The effective date of the decrease will be the Monthly Date that coincides with or next follows the date of the request. We will not charge a Surrender Charge on the decrease. Instead, any subsequent Surrender Charge will be based on the original Face Amount of this Certificate and the original Face Amount of any increase in Face Amount.

Tax Qualification -- This Certificate is intended to qualify under Section 7702 of the Internal Revenue Code as a life insurance certificate for federal tax purposes. The Death Benefit under this Certificate is intended to qualify for the federal income tax exclusion. The provisions of this Certificate (and any attached Amendments, Endorsements, or Riders) will be interpreted to ensure tax qualification, regardless of any language to the contrary. The Death Benefit under this Certificate will never be less than the amount necessary to ensure tax qualification. If the Death Benefit is increased, we will make appropriate adjustments in the monthly deductions or supplemental benefits as of that time, retroactively or otherwise, that are consistent with the increase. Such adjustments may be made by right of offset against the Death Benefit.

CERTIFICATE EFFECTIVE DATE

The insurance under this Certificate will start on the Certificate Date if:

1. Your Application has been approved by us on or before such date;
2. All Insureds under this Certificate are living; and
3. The initial premium payment has been received by us.

CERTIFICATE TERMINATION DATE

The insurance under this Certificate will stop on the earliest of:

1. The Monthly Date that coincides with or next follows the date we receive your written request to terminate coverage;
2. The Maturity Date;
3. The date the Insured dies;
4. The date this Certificate Lapses, subject to the Grace Period provision; or
5. The date the Policy terminates, subject to the Portability Option provision.

Our acceptance of premium or deductions for any period after the date of termination of this certificate will not create a liability for us nor will it constitute a waiver of the termination. Any such premium or deduction will be returned.

PREMIUMS

Initial Premium - The initial premium is the amount due on or before the Certificate Date shown on the Contract Data Pages and is payable in advance. All premiums are payable to our Administrative Office or to an agent authorized by us to collect premiums.

Planned Premium Payments - The amount and frequency of the premium is shown on the Contract Data Pages. However, premium payments are flexible and the Owner may change the amount and frequency of payments. Interruption of planned premium payments or reduction of such payments may cause your coverage to enter the Grace Period.

Minimum Monthly Premium - The minimum monthly premium requirements are described in the Grace Period provision in the General Provisions section.

Premium Limitation - We reserve the right to limit the amount of uncheduled premiums paid if we determine that:

1. Payment of a greater amount may cause the Death Benefit to lose its tax status as life insurance under the Internal Revenue Code;
2. Payment of a greater amount would increase the difference between the Death Benefit and the Accumulation Value unless we are provided evidence of insurability satisfactory to us; or
3. Payment of a greater amount would exceed the Maximum Unscheduled Premium shown in the Contract Data Pages.

An uncheduled premium is any premium paid in excess of the planned premium shown on the Contract Data Pages or an increase in such planned premium.

REINSTATEMENT

Conditions for Reinstatement - If this Certificate Lapses, it may be Reinstated during the lifetime of the Insured, provided it was not surrendered. To Reinstatement this Certificate, we will require:

1. Your written request for Reinstatement within five years after the date of Lapse and before the Maturity Date;
2. The Insured's written consent for Reinstatement;
3. Evidence of insurability satisfactory to us;
4. Repayment of any Loans that existed when this Certificate lapsed, with interest compounded annually from the date of lapse at the Loan Interest Rate shown in the Contract Data Pages; and
5. Payment of the Reinstatement Premium.

Reinstatement Premium - The Reinstatement Premium will be calculated as follows:

1. Two monthly deductions at the time of Lapse; plus
2. Three monthly deductions due at the time of Reinstatement; plus
3. Interest, compounded annually on this Reinstatement Premium at the Loan Interest Rate shown in the Contract Data Pages; interest due will be calculated from the date this Certificate ended.

The Accumulation Value of the Reinstated Certificate will be:

1. Any Surrender Charge taken at the time of Lapse; plus
2. Any Reinstatement Premium received less the expense charge; less
3. Any monthly deductions due.

Any Loans that existed when the Certificate Lapsed will not be Reinstated.

The date of Reinstatement will be the Monthly Date on or following the date the Application for Reinstatement is approved by us, so long as the Insured is still living. With respect to any Reinstated Certificate, the incontestability period will be based only on statements made in any Reinstatement Application.

If the Certificate is Reinstated within a Surrender Charge Period, the Surrender Charges in effect for the Reinstated Certificate and any increases in Face Amount will be based on the duration from the Effective Date of coverage to the date of Lapse.

CONTRACT VALUES

Accumulation Value - The Accumulation Value on the Certificate Date is equal to the initial net premium received minus the monthly deduction. Thereafter, the Accumulation Value will be determined on each Monthly Date after the Certificate Date as follows:

The Accumulation Value as of the prior Monthly Date; plus

1. The interest earned for the prior month; plus
2. All net premiums received since the prior Monthly Date; less
3. All partial surrender amounts taken since the prior Monthly Date; less
4. The monthly deduction for the current month.

On any day between Monthly Dates, the Accumulation Value will be determined as follows:

1. The Accumulation Value as of the prior Monthly Date; plus
2. All net premiums received since the prior Monthly Date; less
3. All partial surrender amounts taken since the prior Monthly Date.

Net Premium - The net premium is any premium received less the expense charge. The guaranteed expense charge is disclosed on the Contract Data Pages. We may use an expense charge lower than the guaranteed expense charge, but will never charge in excess of the guaranteed expense charge.

Monthly Deduction - On the Certificate Date and each Monthly Date thereafter, a monthly deduction will be withdrawn from the Accumulation Value. The monthly deduction is equal to:

1. The cost of insurance; plus
2. The Certificate fee; plus
3. The administrative fee, plus
4. Any charges for additional benefits provided by Riders.

Cost of Insurance (COI) - The COI is equal to the COI rate divided by 1,000, then multiplied by the difference between:

1. The Death Benefit at the beginning of the Certificate month divided by 1.00246627; and
2. The Accumulation Value at the beginning of the Certificate month.

The COI rates are based on the Insured's Age and Class of Risk on the Certificate Date. A Table of Guaranteed Monthly Cost of Insurance Rates is shown on the Contract Data Pages. We may use lower COI rates, but will never exceed the guaranteed COI rates. Guaranteed COI rates are based on the Commissioners 2001 Standard Ordinary Mortality Tables.

If you request an increase in the Face Amount, the COI rates for each Face Amount increase will be based on the Insured's Age and Class of Risk on the effective date of the increase.

Certificate Fee - The guaranteed Certificate fee is shown on the Contract Data Pages. We may use a Certificate fee lower than the guaranteed Certificate fee, but will never charge in excess of the guaranteed Certificate fee.

Administrative Fee - The administrative fee is calculated by multiplying the administrative fee per \$1,000 by the Face Amount divided by 1,000. The guaranteed administrative fee per \$1,000 is shown on the Contract Data Pages. We may use an administrative fee per \$1,000 lower than the guaranteed administrative fee per \$1,000 but will never charge in excess of the guaranteed administrative fee per \$1,000.

Interest Rate - The guaranteed minimum interest rate for all Certificate years is shown in the Contract Data Pages. We may use current interest rates greater than the guaranteed interest rate to calculate the Accumulation Value. These interest rates will be declared by us. We may apply different interest rates to separate portions of the Accumulation Value, including the amount of the Accumulation Value equal to any outstanding Loan. However, no rate will be less than the guaranteed interest rate.

Cash Surrender Value - The Cash Surrender Value may be borrowed, applied under continuation of insurance, if applicable, or taken in cash as a partial or full surrender of this Certificate. The Cash Value will always equal or exceed the amount required by the law in effect at issue in the state in which the Policy is delivered.

LOANS

Interest Rate on Accumulation Value Securing Loans - The interest rate for any portion of the Accumulation Value equal to the amount of any Loan will be at the effective annual interest rate shown in the Contract Data Pages.

Loans - Upon written request, you may borrow up to the available Loan Value of your Certificate. The minimum amount you may borrow is shown in the Contract Data Pages. Loans will be secured by the most recent addition to the Accumulation Value. Our security interest in the Accumulation Value has priority over the claims of any assignee or other person. Your Certificate is the sole security for all Loans.

Loan Value - The Loan Value of your Certificate is as follows:

1. The Cash Value; less
2. Any existing Loan; less
3. Loan interest payable in advance to the next Certificate Anniversary; less
4. Three monthly deductions.

If your total indebtedness equals or exceeds the Cash Value, your Certificate will not Lapse except in accordance with the Grace Period.

Loan Interest - The Loan interest rate is shown in the Contract Data Pages. On each Anniversary, Loan interest for the next year is due in advance. Interest not paid when due will be added to the Loan.

Loan Repayment - You may repay any part of a Loan at any time while this Certificate is in force. Each payment must be at least \$25, unless the Loan amount is less than \$25, in which case full payment is required. All funds received will be credited to this Certificate as a premium payment, unless clearly marked as a Loan repayment. On the date received, Loan repayments will be applied to the portion of the Accumulation Value that is securing a Loan.

PARTIAL SURRENDER

Partial Surrender - You may surrender a portion of this Certificate for its value by sending us a written request. We will deduct a partial Surrender Charge and the amount requested from the Certificate's Accumulation Value. If Death Benefit Option A applies, we will also deduct the partial Surrender Charge and the amount requested from the Certificate's Face Amount. The resulting Face Amount may not be less than the minimum allowed by the Company. No more than one partial surrender will be allowed in any Certificate year.

Reductions to the Face Amount due to any partial surrender will be in the following order:

1. To the most recent increase in the Face Amount;
2. To the next most recent increase in the Face Amount; or
3. To the initial Face Amount or the current Face Amount, if less.

The partial Surrender Charge is the greater of:

1. \$25, or
2. The proportionate Surrender Charge.

The proportionate Surrender Charge will be calculated as follows:

1. The full Surrender Charge at the time of the request (see Table of Surrender Charges for your Class of Risk); times
2. The partial surrender amount; divided by
3. The Cash Value.

In any Certificate year, the minimum partial surrender is \$500 and the maximum amount that you may request is:

1. The Cash Surrender Value; less
2. The sum of three monthly deductions.

Any request for an amount that would exceed the maximum described above will be treated as a request for full surrender of this Certificate.

NONFORFEITURE OPTION

Full Surrender - You may surrender this Certificate for its Cash Surrender Value by sending us a written request. Coverage under this Certificate will terminate upon full surrender.

Surrender Charge – The Surrender Charge is calculated as follows:

1. The Surrender Charge Base for the Insured's Issue Age and Class of Risk; multiplied by
2. The applicable Contract Year percentage; multiplied by
3. The Face Amount; divided by
4. 1,000.

The Surrender Charge Base and the Contract Year percentages appear in the Table of Surrender Charge Factors found on the Contract Data Pages.

If an increase in the Face Amount is requested and approved, additional Surrender Charges will apply. The Surrender Charge for any Face Amount increase is calculated as follows:

1. The amount of increase; divided by
2. 1,000; multiplied by
3. The product of the Surrender Charge Base and the Contract Year percentage based on:
 - a. The Insured's Age and Class of Risk on the date of the increase; and
 - b. The number of years the increase was effective.

PAYMENT OF CASH VALUE AND LOANS

After we receive the written request for a surrender or Loan, we may defer the payment of partial or full surrender values and the making of a Loan for a period of not more than six months. We will not delay any Loan made to pay a premium due us.

CERTIFICATE STATEMENTS AND ILLUSTRATIONS

We will send you an annual statement showing the Face Amount, values, Loans, partial surrenders, premiums paid, and any other charges as of the statement date. We will send you an illustration of this Certificate's benefits and values upon receipt of your written request. We will provide one illustration annually without charge.

PORTABILITY OPTION

If the Insured loses eligibility for this insurance for any reason other than nonpayment of premiums, you will have the option to continue this Certificate (including any riders) by paying the premiums directly to us at our Administrative Office. We will bill you for these premiums. We may charge the guaranteed Certificate fee when we direct bill for the premium. If you stop paying the premiums under this option, this Certificate (and any riders) will continue subject to the terms of the Grace Period.

BASIS OF COMPUTATION

Reserves are not less than the required minimum reserves and will never be less than the Cash Surrender Value. All of the values are equal to or greater than the minimums set by the governing jurisdiction. If required, we have filed a detailed statement about this with the insurance department in the state in which the Policy is issued.

GENERAL PROVISIONS

Adjustments in the Event of Clerical Error – Clerical error will not void insurance otherwise valid and in force, nor will it continue or make insurance valid that otherwise would cease or would never have been issued.

Adjustments in the Event of Error in Age or Tobacco Use - If the Age or Tobacco Use status of the Insured is misstated on the Application, we will adjust the Death Benefit to reflect the amount that the most recent monthly deduction would buy at the Insured's correct Age or Tobacco Use status.

Assignment - We are not responsible for whom you elect for any assignment. However, if you file an assignment with us and it is recorded at our Administrative Office, your rights and the rights of the Beneficiary will be subject to it.

Claims Procedure - Due proof of the Insured's death must be submitted to us at our Administrative Office. The Beneficiary or a personal representative can get a claim form by calling our toll-free telephone number listed on the cover page.

Conformity With State Laws – A provision of the Policy or Certificate that conflicts with a law of the governing jurisdiction is hereby changed to meet the minimum standards of that law.

Dividends - This is nonparticipating insurance. It does not participate in our profits or surplus. We do not distribute past surplus or recover past losses by changing the COI rates, Certificate fees, administrative fees, expense charges or charges for additional benefits provided by Riders or declared interest rates.

Entire Contract; Changes – The Entire Contract consists of the Policy as issued to the Policyholder, the Policyholder Application, the Certificate, and any attached Amendments, Endorsements, and Riders. Only an officer of the Company may make any changes to the Policy or this Certificate and then only in writing. No agent or Policyholder has authority to change the Policy or this Certificate or to waive any of its provisions. Any changes are subject to the laws of the governing jurisdiction.

Grace Period – If the Cash Surrender Value on any Monthly Date is not sufficient to pay the next monthly deduction, a Grace Period of 31 days will be provided beginning on such Monthly Date. Written notification will be sent to your last known address on record at least 31 days prior to termination. If sufficient premium is not paid by the end of the Grace Period, the Certificate will terminate without value. If the Insured dies during the Grace Period, we will pay the Death Benefit, less any indebtedness and any unpaid monthly deduction. The Certificate will Lapse if the total indebtedness equals or exceeds the Cash Value.

During the period beginning on the Certificate Date and ending on the Minimum Monthly Premium Date, as shown on the Contract Data Pages, the Certificate will not enter the Grace Period if on any Monthly Date the sum of the premiums that have been paid, less any indebtedness and partial surrenders, equals or exceeds the sum of all minimum monthly premiums payable from the Certificate Date to the applicable Monthly Date.

The initial Minimum Monthly Premium is shown on the Contract Data Pages. The Minimum Monthly Premium is increased for each Certificate month following the date of an increase in the Face Amount, or when a benefit rider is added or increased. The Minimum Monthly Premium is decreased for each Certificate month following the date of a decrease in the Face Amount or when a benefit rider is decreased or discontinued.

Right to Contest - We will not use any statement, except fraudulent statements, to void or reduce benefits after this Certificate has been in force during the Insured's lifetime for two years from the Certificate Date. Any such statement would have to be in a signed form. This also applies to all riders. Any increase in the Face Amount is subject to a new two-year contestable period for the increased amount only.

All statements made are considered representations and not warranties. No such statement will be used in any contest, unless a copy of such statement has been furnished to you.

Suicide Exclusion - We will not pay the Death Benefit if the Insured dies by suicide, while sane or insane, within two years from the date coverage is issued. Instead, we will refund the premiums paid for this insurance minus any outstanding Loans and partial surrenders. Any increase in the Face Amount is subject to a new two-year Suicide Exclusion period for the increased amount only.

Notices Given By Us - Any notice to be given by us will be sent to the Owner at the Owner's last known address and any assignee of record.

ACCELERATED DEATH BENEFIT FOR TERMINAL CONDITION RIDER

(Death Benefit, Face Amount, Cash Values and Loan Values, if any, will be reduced if an Accelerated Death Benefit is paid.)

SPECIAL NOTICE

Benefits received under this Rider may be taxable as income. Whether any tax liability is incurred when benefits are paid under this Rider could depend on whether your employer has paid the premium, and how the Internal Revenue Service interprets applicable provisions of the Internal Revenue Code. As with any tax matter, you and any other recipient of this benefit should each consult an independent tax advisor to evaluate any tax impact of this benefit.

Receipt of an Accelerated Death Benefit may adversely affect eligibility for Medicaid or other government benefits or entitlements. Without exercising this option, the mere fact that this Rider is part of your contract will not, in and of itself, affect the eligibility for these government programs. However, exercising this option before you apply for these programs, or while you are receiving government benefits, may affect your continued eligibility. Contact the Medicaid Unit of the local Department of Public Welfare and/or the Social Security Administration Office for more information.

This Rider is attached to and made part of the contract as of the Rider Effective Date. It is issued in consideration of the Application and payment of any required initial premium. All provisions of the contract not in conflict with the provisions of this Rider will apply to this Rider. This Rider has no cash value.

DEFINITIONS

In addition to the definitions contained in the contract, the following definitions apply to this Rider.

Immediate Family Member – Anyone related to an Insured in the following manner: spouse, daughter, son, stepchild, father, mother, stepparent, sister, brother, stepsister, stepbrother, grandchild, grandparent, father-in-law, mother-in-law, or the spouse of any of these. The term "spouse" includes a common law marriage partner, domestic partner, or civil union partner, if legally recognized in the governing jurisdiction.

Physician - A licensed medical practitioner of the healing arts who:

1. Performs only those services permitted within the scope of his or her license; and
2. Is not an Immediate Family Member.

Terminal Condition – An illness or accidental injury that, in the best medical judgment of a Physician, will result in death within 12 months.

BENEFIT

We will pay the Accelerated Death Benefit for Terminal Condition benefit amount shown in the Contract Data Pages when an Insured is diagnosed with a Terminal Condition for the first time after the Rider Effective Date. This benefit is payable only once and in one lump sum. We will deduct the administrative expense charge and the proportional repayment of any outstanding contract Loan from the benefit. See the Rider Cost provision.

Payment of an Accelerated Death Benefit under this Rider will not reduce any Accidental Death benefit available under the contract or any Rider attached to the contract.

We will not pay an Accelerated Death Benefit under this Rider for any Terminal Condition that is diagnosed, for the *first* time, prior to the Rider Effective Date. If you request less than the maximum amount available when a claim is submitted, you cannot ask us at a later time to give you the difference between what was requested and what could have been requested. We will not pay an Accelerated Death Benefit on any Riders attached to the contract.

EFFECT ON INSURED'S DEATH BENEFIT

If the Owner elects to exercise this option, we will deduct the amount we accelerate from the Death Benefit. The Beneficiary will receive any remaining amount of the Death Benefit after the Insured dies, provided the contract has not stopped. However, if the entire Death Benefit is paid under the terms of this Rider prior to the Insured's death, the contract will terminate and there will be no Death Benefit payable upon the Insured's death. After payment of an Accelerated Death Benefit, we will send the Owner a benefit report that will show the proportionate reduction in the premiums under the contract, if any.

An Accelerated Death Benefit payment will reduce the following contract values: Face Amount; Accumulation Value; Surrender Charge; and outstanding Loan balance if any, as explained below.

The Accumulation Value will be reduced by an amount equal to the reduction in Death Benefit multiplied by the ratio of the Accumulation Value to the Death Benefit in effect immediately before the Rider benefit is paid.

The Surrender Charge will be reduced by an amount equal to the reduction in Death Benefit multiplied by the ratio of the Surrender Charge to the Death Benefit in effect immediately before the Rider benefit is paid.

The outstanding Loan balance, if any, will be proportionally repaid by an amount equal to the reduction in Death Benefit multiplied by the ratio of the outstanding Loan balance to the Death Benefit in effect immediately before the Rider benefit is paid.

CLAIMS

The following Claims Procedures apply to this Rider.

Notice of Claim – Written notice of claim must be given to us at our Administrative Office, or to our agent. Such notice should be made within 30 days after the date the Insured is first diagnosed with a Terminal Condition. If it is not reasonably possible to give notice within that time, the claim may not be denied or reduced due to the delay, so long as notice is given as soon as reasonably possible.

Claim Forms – Claim forms should be used for filing proof of loss. We will send such form to the claimant within 15 days of receipt of notice of claim. If we fail to supply the proper claim forms within 15 days, you can give proof in writing, setting forth the nature and extent of the loss within the time stated in the proof of loss provision. You or a personal representative may obtain a claim form by calling our toll-free telephone number listed on the cover page.

Proof of Loss – Due written proof of loss must be given to us at our Administrative Office. We must receive such proof within 90 days after the date the Insured is diagnosed with a Terminal Condition.

Failure to furnish such proof within such time will not invalidate nor reduce any claim if it was not reasonably possible to furnish such proof and it was furnished as soon as reasonably possible. In any event, the proof required must be given no later than one year from the time proof is otherwise required, unless the claimant was legally incapacitated.

Physical Examinations And Autopsy - We have the right to have an Insured examined by a Physician of our choice as often as reasonably necessary while a claim is pending. In case of death, we may request an autopsy where it is not forbidden by law. If the Insured is a resident of South Carolina at the time of death, the autopsy must be performed in South Carolina. We will pay for such examination or autopsy.

Time of Payment of Claims – Benefits for a covered loss will be paid as soon as we receive due written Proof of Loss.

Payment of Claims – Benefits are payable to the Owner or a payee designated by the Owner.

Legal Actions - No legal action may be brought to recover under the contract within 60 days after written proof of loss has been provided to us as required nor more than six years from the time written proof of loss is required to be furnished.

GENERAL RIDER PROVISIONS

Consent For Benefit Payment – If there is an assignment of this contract on record or an irrevocable Beneficiary on record, we must obtain the consent of any assignee or irrevocable Beneficiary before any Rider benefit is paid.

All provisions of the contract not in conflict with the provisions of this Rider will apply to this Rider. This Rider has no cash value.

DEFINITIONS

In addition to the definitions contained in the contract, the following definitions apply to this Rider.

Layoff - The Owner is employed on a full-time basis at the time of the Layoff and is involuntarily terminated by his or her employer due to one of the following reasons:

1. A reduction in work force as the result of economic conditions;

Strike – A work stoppage at the Owner's place of employment that is supported and/or sponsored by the state or national union headquarters.

BENEFITS

We will waive the monthly deductions on the contract if the Owner is placed on Layoff status or is on Strike.

LIMITATIONS AND EXCLUSIONS

We will waive the monthly deductions for up to [3] Layoffs or Strikes in any one 12-month period.

We will wave the monthly deductions for up to [6] months in any one 12-month period.

A 12-month period will be measured from the date the first monthly deduction is waived.

If the Portability Option provision of the contract has been exercised, if any, the Owner will need to provide proof of being employed (other than self-employment) for the 6 months prior to the Layoff or Strike.

This Rider is not available for self-employed individuals.

6. The date the Owner assigns the contract to another individual; or
7. The date a Nonforfeiture Option under the contract, if any, becomes effective.

Our deduction of a monthly charge for any period after the date of termination of this Rider will not create a liability for us nor will it constitute a waiver of the termination. Any such monthly deduction will be returned.

This Rider is signed for the Company at our Home Office to take effect on the Rider Effective Date.

ACCELERATED DEATH BENEFIT FOR CHRONIC CONDITION RIDER (Living Benefit Rider)

(Death Benefit, Face Amount, Cash Values and Loan Values, if any, will be reduced if an Accelerated Death Benefit is paid.)

SPECIAL NOTICE

Benefits received under this Rider may be taxable as income. Whether any tax liability is incurred when benefits are paid under this Rider could depend on whether your employer has paid the premium, and how the Internal Revenue Service interprets applicable provisions of the Internal Revenue Code. As with any tax matter, you and any other recipient of this benefit should each consult an independent tax advisor to evaluate any tax impact of this benefit.

Receipt of an Accelerated Death Benefit may adversely affect eligibility for Medicaid or other government benefits or entitlements. Without exercising this option, the mere fact that this Rider is part of your contract will not, in and of itself, affect the eligibility for these government programs. However, exercising this option before you apply for these programs, or while you are receiving government benefits, may affect your continued eligibility. Contact the Medicaid Unit of the local Department of Public Welfare and/or the Social Security Administration Office for more information.

This Rider is attached to and made part of the contract as of the Rider Effective Date. It is issued in consideration of the Application and payment of any required initial premium. All provisions of the contract not in conflict with the provisions of this Rider will apply to this Rider. This Rider has no cash value.

NOTICE TO YOU, THE OWNER

FOR INFORMATION, OR TO MAKE A COMPLAINT, CALL [1-888-763-7474]

This Rider is not long term care insurance and does not provide long term care insurance, nor is it intended to replace long term care insurance coverage. We advise you to review carefully all limitations of this Rider, as well as those of the contract to which it is attached.

DEFINITIONS

In addition to the definitions contained in the contract, the following definitions apply to this Rider.

Activities of Daily Living – For the purposes of this Rider, each of the following activities is considered an Activity of Daily Living:

Bathing - The Insured's ability to wash himself or herself by sponge bath; or in a tub or shower, including the task of getting into and out of the tub or shower.

Continence – The Insured's ability to maintain control of bowel and bladder function; or, when unable to maintain control of bowel or bladder function, the ability to perform associated personal hygiene (including caring for catheter or colostomy bag).

Dressing - The Insured's ability to put on and take off all items of clothing and any necessary braces, fasteners or artificial limbs.

Eating - The Insured's ability to feed himself or herself by getting food into his or her body from a receptacle (such as a plate, cup or table) or by a feeding tube or intravenously.

Toileting – The Insured's ability to get to and from the toilet, to get on and off the toilet, and to perform associated personal hygiene.

Transferring - The Insured's ability to move into or out of a bed, chair or wheelchair.

Chronic Illness –

1. The inability, expected to be permanent, to perform, without Substantial Human Assistance, at least two Activities of Daily Living for a period of at least 90 days; **or**
2. Severe Cognitive Impairment that is expected to be permanent and that requires Substantial Supervision to protect the Insured from threats to his or her health and safety.

Death Benefit Amount – The amount of the Death Benefit in effect on the date immediately following the date the Insured first satisfies the Eligibility for Benefits provision.

Elimination Period – The number of consecutive days during which the Insured must meet the Eligibility for Benefits requirements listed under the Benefits provision. During the Elimination Period no benefits are payable under this Rider. The Elimination Period starts on the day the Insured's Chronic Illness begins, as stated in a Physician's certification. The Elimination Period for this Rider is shown in the Contract Data Pages. The Elimination Period needs to be satisfied only once during the Insured's lifetime.

Immediate Family Member – Anyone related to an Insured in the following manner: spouse, daughter, son, stepchild, father, mother, stepparent, sister, brother, stepsister, stepbrother, grandchild, grandparent, father-in-law, mother-in-law, or the spouse of any of these. The term "spouse" includes a common law marriage partner, domestic partner, or civil union partner, if legally recognized in the governing jurisdiction.

Medicare – The Health Insurance for the Aged Act, Title XVIII of the Social Security Amendments of 1965 as then constituted or later amended.

Physician –

1. A doctor of medicine or osteopathy as set forth in Section 1861(r)(1) of the Social Security Act, as amended, who is legally authorized to practice medicine and surgery within the United States by the jurisdiction in which he or she performs such function or action; and
2. Is not an Immediate Family Member.

Severe Cognitive Impairment – A deficiency in any of the following:

1. The Insured's short-term or long-term memory;
2. Orientation as to person, place and time;
3. Deductive or abstract reasoning; or
4. Judgment as it relates to safety awareness.

Severe Cognitive Impairment is established by clinical evidence and standardized tests that reliably measure the Insured's loss. Severe Cognitive Impairment requires a deficiency comparable to (and including) Alzheimer's disease and similar forms of irreversible dementia.

Substantial Human Assistance – Actual hands-on assistance by another individual.

Substantial Supervision – Continuous, arms-length supervision, including but not limited to verbal cueing by another individual to protect the Insured from harming himself, herself or others, or from threats to the Insured's health and safety.

Waiting Period – The period of time, immediately after the Rider Effective Date, which must be satisfied before any sickness or condition which causes Chronic Illness first manifests itself. The Waiting Period is shown in the Contract Data Pages. The Waiting Period does not apply to benefits payable for an Insured who has a Chronic Illness due to an Accident. For purposes of this provision, an Accident means a sudden, unexpected, and unintended injury that is independent of any illness or disease and occurs after the Rider Effective Date and while this Rider is in force.

BENEFITS

Eligibility for Benefits – After the Waiting Period has been satisfied, we will pay an Accelerated Death Benefit under this Rider after we receive written proof that the Insured has met all of the following conditions:

1. A Physician has certified that the Insured has a Chronic Illness;
2. The Insured has satisfied the Elimination Period; and
3. The contract to which this Rider is attached is in force.

Accelerated Death Benefit Options

You may choose one of the following options for submitting a claim for an Accelerated Death Benefit under this Rider:

Option 1 – Monthly Accelerated Death Benefit – You may request a monthly Accelerated Death Benefit equal to the applicable percentage of the Death Benefit Amount shown on the Contract Data Pages. This benefit is payable for each month the Insured satisfies the Eligibility for Benefits provision while this Rider is in force. After

submitting satisfactory proof of loss, in order to continue receiving the monthly benefit you must provide, every 90 days, a written certification by a Physician that the Insured continues to have a Chronic Illness.

Option 2 - One-Time Lump Sum Accelerated Death Benefit – In lieu of the monthly Accelerated Death Benefit, you may request a one-time lump sum Accelerated Death Benefit payment equal to the applicable percentage shown on the Contract Data Pages of the Death Benefit Amount. Upon payment of this lump sum benefit, your rights under this Rider will end and this Rider will terminate.

Waiver of Monthly Deductions – We will waive the monthly deductions for each contract month or partial contract month that you receive benefits under this Rider. If you elect the one-time lump sum Accelerated Death Benefit option, this waiver provision will not apply.

EFFECT ON INSURED’S DEATH BENEFIT

If the Owner receives Accelerated Death Benefit payments in accordance with this Rider, we will deduct any amounts paid under this Rider from the Death Benefit. The Beneficiary will receive any remaining amount of the Death Benefit after the Insured dies, provided the contract has not terminated. However, if the entire Death Benefit proceeds are paid under the terms of this Rider prior to the Insured's death, the Contract will terminate and there will be no Death Benefit payable upon the Insured's death.

Each Accelerated Death Benefit payment will reduce the following contract values: Death Benefit; Face Amount; Accumulation Value; Surrender Charge; Guaranteed Cash Value, if applicable; and outstanding Loan balance, if any, as explained below.

The Death Benefit will be reduced by the amount of the Accelerated Death Benefit.

The Face Amount will be reduced by an amount equal to the reduction in Death Benefit multiplied by the ratio of the Face Amount to the Death Benefit in effect immediately before the Accelerated Death Benefit payment is made.

The Accumulation Value will be reduced by an amount equal to the reduction in Death Benefit multiplied by the ratio of the Accumulation Value to the Death Benefit in effect immediately before the Accelerated Death Benefit payment is made.

The Surrender Charge will be reduced by an amount equal to the reduction in Death Benefit multiplied by the ratio of the Surrender Charge to the Death Benefit in effect immediately before the Accelerated Death Benefit payment is made.

The Guaranteed Cash Value, if applicable, will be reduced by an amount equal to the reduction in Death Benefit multiplied by the ratio of the Guaranteed Cash Value to the Death Benefit in effect immediately before the Accelerated Death Benefit payment is made.

The outstanding Loan balance, if any, will be proportionally repaid by an amount equal to the reduction in Death Benefit multiplied by the ratio of the outstanding Loan balance to the Death Benefit in effect immediately before the Accelerated Death Benefit payment is made. The amount of this Loan balance repayment will be deducted from the Accelerated Death Benefit payable to you.

If you elect monthly Accelerated Death Benefit payments under this Rider, the following conditions will apply during the period that such payments are being made.

1. You cannot change the Face Amount or the Death Benefit option of the Contract, or add any Riders.
2. We will not accept any premium payments.

If monthly Accelerated Death Benefit payments are made, we will provide a monthly report that shows the effect each benefit payment has on the contract values.

EXCLUSIONS AND LIMITATIONS

We will **not** pay Rider benefits if the Insured meets the requirements of the Eligibility for Benefits provision as a result of:

1. Any sickness condition that begins before or during the Waiting Period.
2. An intentionally self-inflicted injury or attempted suicide.
3. War or any act of war, declared or undeclared, or service in the armed forces of any country.

4. The Insured's alcohol or narcotic dependence, except if the dependency is for a narcotic prescribed by a Physician in the course of treatment for an injury or sickness.
5. The Insured's commission of, or attempt to commit, a felony; or an injury that occurs because of the Insured's involvement in an illegal activity.

We will not pay an Accelerated Death Benefit on any other riders attached to the contract.

CLAIMS

The following Claims Procedures apply to this Rider.

Notice of Claim – Written notice of claim must be given to us at our Administrative Office or to our agent. Such notice should be made within 30 days after a Physician determines the Insured has a Chronic Illness. If it is not reasonably possible to give notice within that time, the claim may not be denied or reduced due to the delay, so long as notice is given as soon as reasonably possible.

Claim Forms – Claim forms should be used for filing proof of loss. We will send such form to the claimant within 15 days of receipt of notice of claim. If we fail to supply the proper claim forms within 15 days, you can give proof in writing, setting forth the nature and extent of the loss within the time stated in the proof of loss provision. You or a personal representative may obtain a claim form by calling our toll-free telephone number listed on the cover page of the contract. Such initial notice and ongoing written proof of loss must be sent within the time limit stated in the following paragraph.

Proof of Loss – Due written proof of loss must be given to us at our Administrative Office. We must receive the initial proof within 90 days after the expiration of the Elimination Period.

Failure to furnish such proof within such time will not invalidate nor reduce any claim if it was not reasonably possible to furnish such proof and it was furnished as soon as reasonably possible. In any event, the proof required must be given no later than one year from the time proof is otherwise required, unless the claimant was legally incapacitated.

If you submit a claim under the Monthly Accelerated Death Benefit option, we will require subsequent proof of loss to be submitted periodically after the Insured satisfies the Eligibility for Benefits provision. This means submitting, every 90 days, certification by a Physician that the Insured continues to have a Chronic Illness.

Physical Examinations – We have the right to have an Insured examined by a Physician of our choice as often as reasonably necessary while a claim is pending. We will pay for such examination.

Time of Payment of Claims – Benefits for a covered loss will be paid as soon as we receive due written Proof of Loss.

Payment of Claims – Benefits are payable to the Owner or a payee designated by the Owner.

Legal Actions - No legal action may be brought to recover under the contract within 60 days after written proof of loss has been provided to us as required nor more than six years from the time written proof of loss is required to be furnished.

GENERAL RIDER PROVISIONS

Consent For Benefit Payment – If there is an assignment of this contract on record or an irrevocable Beneficiary on record, we must obtain the consent of any assignee or irrevocable Beneficiary before any Rider benefit is paid.

Contestability – This Rider will be contestable on the same basis as the contract, during the lifetime of the Insured, for two years from the Rider Effective Date.

Suicide – If the Insured dies by suicide, while sane or insane, within two years from the Rider Effective Date, any premiums refunded under the Suicide Exclusion provision of the contract will be reduced by the amount of Accelerated Death Benefits paid, if any, under this Rider.

RIDER COST

The initial monthly charge and the guaranteed monthly charge for this Rider are shown in the Contract Data Pages. We may use monthly charges lower than the guaranteed monthly charge but will not use charges higher than the guaranteed amount.

7. The date a Nonforfeiture Option under the contract, if any, becomes effective.

EXTENSION OF BENEFITS RIDER

This Rider is attached to and made part of the contract as of the Rider Effective Date. It is issued in consideration of the Application and payment of any required initial premium. All provisions of the contract not in conflict with the provisions of this Rider will apply to this Rider. Capitalized terms not defined in this Rider have the definitions given in the contract. This Rider has no cash value.

BENEFITS

This Rider extends benefits under the contract and the Accelerated Death Benefit for Chronic Condition Rider, as explained in detail below.

Death Benefit Increases – We will increase the Death Benefit by a percentage of the Death Benefit that was in force on the date the first monthly Accelerated Death Benefit was paid under the Accelerated Death Benefit for Chronic Condition Rider, subject to all of the following requirements.

1. The Insured must be alive and continue to satisfy the Eligibility for Benefits provision of the Accelerated Death Benefit for Chronic Condition Rider.
2. The entire Death Benefit must have been paid under the Accelerated Death Benefit for Chronic Condition Rider before this Rider can be exercised.
3. The cumulative Death Benefit increases under this Rider will not exceed 100% of the Death Benefit that was in force on the date the first monthly Accelerated Death Benefit was paid under the Accelerated Death Benefit for Chronic Condition Rider.
4. Additional monthly Death Benefit increases under this Rider will be allowed and become effective the month immediately following the date the entire previous Death Benefit increase has been paid under the Accelerated Death Benefit for Chronic Condition Rider.
5. You may not have elected to receive a one-time lump sum accelerated death benefit payment under the Accelerated Death Benefit for Chronic Condition Rider.

The percentage of the Death Benefit that will be used to determine the increase amount is shown on the Contract Data Pages.

If you have elected to receive a one-time lump sum accelerated death benefit payment under the Accelerated Death Benefit for Chronic Condition Rider, we will increase such lump sum payment by a percentage of the Death Benefit as of the Monthly Date immediately following the date the Elimination Period, as defined in the Accelerated Death Benefit for Chronic Condition Rider, has been satisfied. Such percentage is shown in the Contract Data Pages. All other provisions of the Accelerated Death Benefit for Chronic Condition Rider related to the one-time lump sum benefit will apply to this increased lump sum benefit. After payment of this increased lump sum benefit, all your rights under this Rider will end and this Rider will terminate.

[Paid-Up Benefit – As soon as the first increase is applied under this Rider, we will issue a paid-up certificate for a percentage of the Death Benefit that was in force on the date the first monthly Accelerated Death Benefit was paid under the Accelerated Death Benefit for Chronic Condition Rider. The percentage that will be used to calculate the paid-up amount is shown on the Contract Data Pages. This paid-up insurance will have no cash or loan values. We will not provide this paid-up life insurance benefit if you elect to receive a one-time lump sum benefit under the Accelerated Death Benefit for Chronic Condition Rider.]

RIDER COST

The initial monthly charge and the maximum monthly charge for this Rider are shown in the Contract Data Pages. We may use monthly charges lower than the maximum charge but will not use charges higher than the maximum.

7. The date a Nonforfeiture Option under the contract, if any, becomes effective; or

CHILD TERM INSURANCE RIDER

This Rider is attached to and made part of the contract as of the Rider Effective Date. It is issued in consideration of the Application and payment of any required initial premium. All provisions of the contract not in conflict with the provisions of this Rider will apply to this Rider. This Rider has no cash value.

DEFINITIONS

In addition to the definitions contained in the contract, the following definitions apply to this Rider.

Insured Child - A Child of the Insured who is at least 15 days old and under the age of 26 and is:

1. A natural child;
2. A legally adopted child, or a child who has been placed for adoption with the employee or member;
3. A stepchild; or
4. A child for whom the employee or member has been appointed legal guardian.

To become an Insured Child after the date of the Application, a child must meet the above definition and the Insured must complete an Application to add the new child as an Insured Child.

BENEFIT

We will pay the Rider Death Benefit shown on the Contract Data Pages to the Owner when we receive due proof that an Insured Child died while covered under this Rider.

GENERAL RIDER PROVISIONS

Contestability – This Rider will be contestable on the same basis as the contract, during the lifetime of the Insured, for two years from the Rider Effective Date.

Suicide – The Suicide provision in the Contract does not apply to this Rider.

RIDER COST

The initial monthly charge for this Rider is shown on the Contract Data Pages.

RIDER EFFECTIVE DATE

This Rider becomes effective on the same date as the contract unless we inform the Owner in writing of a different date.

TERMINATION

The term insurance on an Insured Child will terminate on the earliest of the following dates:

1. The date the contract terminates, subject to the Conversion Options of this Rider;
2. The date the contract Lapses, subject to the Grace Period.
3. The date the Owner requests termination.
4. The Certificate Anniversary following the date the Insured Child is no longer eligible as a dependent child.
5. The Certificate Anniversary after the last Insured Child has reached his or her 26th birthday; or
6. The date a Nonforfeiture Option under the Contract, if any, becomes effective.

Our deduction of a monthly charge for any period after the date of termination of this Rider will not create a liability for us nor will it constitute a waiver of the termination. Any such monthly charge will be returned.

CONVERSION OPTIONS

Conversion and Transfer of Ownership due to Death of Owner - If the Owner dies while this Rider is in force, the premium and charge will be waived and coverage on any Insured Child will automatically be changed to paid-up insurance. This paid-up insurance will have no cash or loan values and will automatically terminate on each Insured Child's 26th birthday. The Owner of the paid-up insurance will be the Insured Child unless such Insured Child is a minor, in which case Ownership will pass to the executor or administrator of the Insured Child's estate for disposition.

Conversion to Individual Policy - When the coverage of an Insured Child terminates for any reason other than the non-payment of premium, the Insured Child may convert this Rider to permanent life insurance on a policy form that we then issue, without any riders, for the then current rates and limits, without further evidence of insurability. The following conditions must be met in order for conversion to occur:

1. We must receive the conversion Application and any required premium at our Administrative Office within 31 days of the termination of coverage under this Rider.
2. Coverage under the new policy will become effective on the date such Application is made and the premium is paid.
3. The amount of insurance under the new policy may be increased to the lesser of:
 - a. Five times the Rider Death Benefit at the termination date; or
 - b. \$50,000.

This Rider is signed for the Company at our Home Office to take effect on the Rider Effective Date.
