

Voluntary Short Term Disability Program

For Eligible Employees at Roper St. Francis Healthcare

What is the Voluntary Short Term Disability Program?

The Voluntary Short Term Disability Program is a valuable plan that complements your employer-provided benefits package and provides additional financial security for you and your family.

Who can participate?

You are eligible to participate if you work at Roper St. Francis Healthcare for a minimum of 20 hours per week.

Why should I participate in the Voluntary Short Term Disability Program?

The Voluntary Short Term Disability Program includes a number of advantages, including:

- You are able to take advantage of special offers that you would not be able to obtain outside of our group offering.
- The convenience of payroll deducted premiums.
- Portability — Take your coverage with you if you leave or retire.

How can I learn more and enroll?

If you are eligible to participate, Farmington Company, our program service provider, can enroll you into the Voluntary Short Term Disability Program. A Farmington Company representative will discuss the program with you in detail to help you make an informed decision.

Please note, if you do not choose to participate in the Voluntary Short Term Disability Program during the first enrollment after becoming eligible but wish to do so in the future, additional Evidence of Insurability may be required.
