The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-760-9290. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.dol.gov/ebsa/healthreform</u> or <u>www.cciio.cms.gov</u> or call 1-800-760-9290 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	RSFH Owned/Affiliated <b>\$1,000</b> person/ <b>\$2,000</b> family. BlueCross Network <b>\$2,000</b> person/ <b>\$4,000</b> family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of the <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes. RSFH Owned/Affiliated <u>preventive</u> <u>care</u> and chiropractic services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	RSFH Owned/Affiliated <b>\$2,750</b> person/ <b>\$5,500</b> family. BlueCross Network <b>\$3,500</b> person/ <b>\$7,000</b> family. Prescription drug <b>\$1,200</b> person/ <b>\$2,400</b> family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing and health care this <u>plan</u> does not cover. Additionally, certain specialty pharmacy drugs are considered non-essential health benefits and fall outside the out-of-pocket limits. The cost of these drugs (though reimbursed by the manufacturer at no cost to you) will not be applied towards satisfying your out-of- pocket maximums.	Even though you pay these expenses, they don't count toward the <u>out–of–pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.southcarolinablues.com</u> or call <b>1-800-810-BLUE (2583)</b> for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You pay the least if you use a <u>provider</u> in Tier 1 - RSFH Owned. You pay more if you use a <u>provider</u> in Tier 2 – RSFH Affiliated and Tier-3 – BlueCross Network. You will pay the most if you use an <u>out-of-network provider</u> , and

BlueCross BlueShield of South Carolina is an independent licensee of the Blue Cross and Blue Shield Association

		you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what you <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

## About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
