STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at www.insurance.illinois.gov.

Vermont:

1. **Purpose:** Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.
Definitions, Terms, Conditions and Provisions: The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and are hereby superseded as follows:
 - a) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
 - b) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
 - c) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
 - d) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
 - e) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under the policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

Eligible Persons: *Who is eligible for coverage?*

All persons in the class or classes shown in the Schedule of Insurance will be considered Eligible Persons.

Eligibility for Coverage: *When will I become eligible?*

You will become eligible for coverage on the latest of:

- 1) the Policy Effective Date;
- 2) the date You become a member of an Eligible Class; or
- 3) the date You complete the Eligibility Waiting Period for coverage shown in the Schedule of Insurance, if applicable.

Eligibility for Dependent Coverage: *When will I become eligible for Dependent Coverage?*

You will become eligible for Dependent coverage on the later of:

- 1) the date You become eligible for employee coverage; or
- 2) the date You acquire Your first Dependent.

You may not cover Your Dependent if such Dependent is covered as an Employee under The Policy. No person can be insured as a Dependent of more than one Employee under The Policy.

Enrollment: *How do I enroll for coverage?*

For Non-Contributory Coverage, Your Employer will automatically enroll You for the Amount of Basic Accidental Death and Dismemberment Insurance. However, You will be required to complete a beneficiary designation form.

To enroll for Contributory Coverage, You must:

- 1) complete and sign a group insurance enrollment form which is satisfactory to Us, for Your coverage and Your Dependent's coverage; and
- 2) deliver it to Your Employer.

You have the option to enroll by voice recording or electronically. Your Employer will provide instructions.

If You do not enroll for Your coverage and/or Your Dependent's coverage within 31 days after becoming eligible under The Policy, or if You were eligible to enroll under the Prior Policy and did not do so, and later choose to enroll, You may enroll for Your coverage and/or Your Dependent's coverage only within 31 days of the date You have a Change in Family Status.

Change in Family Status: *What constitutes a Change in Family Status?*

A Change in Family Status occurs when:

- 1) You get married;
- 2) You and Your spouse divorce;
- 3) Your child is born or You adopt or become the legal guardian of a child;
- 4) Your spouse dies;
- 5) Your child dies;
- 6) Your spouse is no longer employed, which results in a loss of group insurance; or

- 7) You have a change in classification from part-time to full-time or from full-time to part-time.

PERIOD OF COVERAGE

Effective Date: *When does my coverage start?*

Non-Contributory Coverage will start on the date You become eligible.

Contributory Coverage will start on the latest to occur of:

- 1) the date You become eligible, if You enroll on or before that date; or
- 2) the date You enroll if You do so within 31 days of the date You are eligible.

All Effective Dates of coverage are subject to the Deferred Effective Date provision.

Deferred Effective Date: *When will my effective date for coverage or a change in my coverage be deferred?*

If, on the date You are to become covered:

- 1) under The Policy;
- 2) for increased benefits; or
- 3) for a new benefit;

You are not Actively at Work due to a physical or mental condition, such coverage will not start until the date You are Actively at Work.

Continuity from a Prior Policy: *Is there Continuity of Coverage from a Prior Policy?*

Your initial coverage under The Policy will begin, and will not be deferred if on the day before the Effective Date, You were insured under the Prior Policy, but on the Effective Date, You were not Actively at Work, but would otherwise meet the Eligibility requirements of The Policy. However, Your Amount of Insurance will be the amount of accidental death and dismemberment principal sum:

- 1) You had under the Prior Policy; or
- 2) shown in the Schedule of Insurance;

reduced by any coverage amount:

- 1) that is in force, paid or payable under the Prior Policy; or
- 2) that would have been so payable under the Prior Policy had timely election been made.

Such amount of insurance under this provision is subject to any reductions in The Policy and will not increase.

Coverage provided through this provision ends on the first to occur of:

- 1) the last day of a period of 12 consecutive months after the Effective Date;
- 2) the date Your insurance terminates for any reason shown under the Termination provision;
- 3) the last day You would have been covered under the Prior Policy, had the Prior Policy not terminated; or
- 4) the date You are Actively at Work.

However, if the coverage provided through this provision ends because You are Actively at Work, You may be covered as an Active Employee under The Policy.

Dependent Effective Date: *When does Dependent coverage start?*

Non-Contributory Coverage will start on the date You become eligible for Dependent coverage.

Contributory Coverage will start on the latest to occur of:

- 1) the date You become eligible for Dependent coverage, if You have enrolled on or before that date; or
- 2) the date You enroll, if You do so within 31 days from the date You are eligible for Dependent coverage.

In no event will Dependent coverage become effective before You become eligible.

Dependent Deferred Effective Date: *When will the effective date for Dependent coverage or a change in coverage be deferred?*

If, on the date Your Dependent, is to become covered:

- 1) under The Policy;
- 2) for increased benefits; or
- 3) for a new benefit;

he or she is:

- 1) confined in a hospital; or
- 2) Confined Elsewhere;

such coverage will not start until he or she:

- 1) is discharged from the hospital; or
- 2) is no longer Confined Elsewhere;

and has engaged in all the normal and customary activities of a person of like age and gender, in good health, for at least 15 consecutive days.

This Deferred Effective Date provision will not apply to disabled children who qualify under the definition of Dependent Children.

Confined Elsewhere means Your Dependent is unable to perform, unaided, the normal functions of daily living, or leave home or other place of residence without assistance.

Dependent Continuity from a Prior Policy: *Is there Continuity of Coverage from a Prior Policy for my Dependents?*

If on the day before the Effective Date, You were covered with respect to Your Dependents under the Prior Policy, the Deferred Effective Date provision will not apply to initial coverage under The Policy for such Dependents. However, the Dependent Amount of Insurance will be the amount of accidental death and dismemberment insurance:

- 1) they had under the Prior Policy; or
- 2) shown in the Schedule of Insurance;

reduced by any coverage amount:

- 1) that is in force, paid or payable under the Prior Policy; or
- 2) that would have been so payable under the Prior Policy had timely election been made.

Termination: *When will my coverage end?*

Your coverage will end on the earliest of the following:

- 1) the date The Policy terminates;
- 2) the date You are no longer in a class eligible for coverage, or the Policy no longer covers Your class;
- 3) the date the required premium is due but not paid;
- 4) the date Your Employer terminates Your employment;
- 5) the date You are no longer Actively at Work;

unless continued in accordance with one of the Continuation Provisions.

Dependent Termination: *When does coverage for my Dependent end?*

Coverage for Your Dependent will end on the earliest to occur of:

- 1) the date Your coverage ends;
- 2) the date the required premium is due but not paid;
- 3) the date You are no longer eligible for Dependent coverage;
- 4) the date We or the Employer terminate Dependent coverage; or
- 5) the date the Dependent no longer meets the definition of Dependent.

unless continued in accordance with the continuation provisions.

Continuation Provisions: *Can my coverage and coverage for my Dependents be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer provides a plan of continuation which applies to all employees the same way. Coverage may not be continued under more than one Continuation Provision.

The amount of continued coverage applicable to You or Your Dependents will be the amount of coverage in effect on the date immediately before coverage would otherwise have ended. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium;
- 3) may be continued up to the maximum time shown in the provisions; and
- 4) terminates if The Policy terminates.

In no event will the amount of insurance increase while coverage is continued in accordance with the following provisions.

In all other respects, the terms of Your coverage and coverage for Your Dependents remain unchanged.

Leave of Absence: If You are on a documented leave of absence, other than Family and Medical Leave or Military Leave of Absence, Your coverage (including Dependent Accidental Death and Dismemberment coverage) may be continued for 3 month(s). If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Military Leave of Absence: If You or Your Dependent enter active military service and are granted a military leave of absence in writing, Your coverage (including Dependent Accidental Death and Dismemberment coverage) may be continued for up to 5 years. If the leave ends prior to the agreed upon date, this continuation will cease immediately.

Lay Off: If You are temporarily laid off by the Employer due to lack of work, Your coverage (including Dependent Accidental Death and Dismemberment coverage) may be continued until the last day of the month following the month in which the layoff commenced. If the lay-off becomes permanent, this continuation will cease immediately.

Status Change: If You are:

- 1) employed by the Policyholder; and
- 2) no longer in an Eligible Class due to a reduction in the number of scheduled hours You work;

Your coverage (including Dependent Accidental Death and Dismemberment coverage) may be continued until the last day of the third consecutive month after the date Your scheduled hours were reduced.

Disability Insurance: If You are working for the Policyholder and:

- 1) are covered by; and
- 2) meet the definition of disabled under;

a Group Disability Insurance Policy, issued by Us to Your coverage (including Dependent Accidental Death and Dismemberment coverage) may be continued until the last day of the 12th month after the month in which You became disabled, as defined in the Group Disability Insurance Policy.

Sickness or Injury: If You are not Actively at Work due to sickness or injury, all of Your coverages (including Dependent Accidental Death and Dismemberment coverage) may be continued:

- 1) for a period of six consecutive months from the date You were last Actively at Work; or
- 2) if such absence results in a leave of absence in accordance with state and/or federal family and medical leave laws, then the combined continuation period will not exceed twelve consecutive months.

Family and Medical Leave: If You are granted a leave of absence, in writing, in accordance with state and/or federal family and medical leave laws, all of Your coverages (including Dependent Accidental Death and Dismemberment coverage) may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by state law, following the date Your insurance would have terminated. If the leave of absence ends prior to the agreed upon date, this continuation will cease immediately.

Spouse Continuation: *Can coverage for my Spouse be continued in the event of my death?*

If You die while Your Spouse is covered under The Policy, Your surviving Spouse may continue:

- 1) his or her coverage; and
- 2) coverage of Your Dependent Child(ren) who were covered by The Policy on the date of Your death.

We must receive Your Spouse's written request and the required premium to continue the coverage within 31 days of the Premium Due Date next following the date of Your death.

Solely for the purpose of continuing the coverage, Your Spouse will be considered the insured person. However, Your Spouse's or any of the Dependent Child(ren)'s coverage will not continue beyond:

- 1) a date the coverage would otherwise have ended under the Dependent Termination provision; or
- 2) the Premium Due Date next following the date Your Spouse remarries.

Dependent Continuation: *Can coverage for my Dependents be continued if I die?*

If You die while insured under The Policy, the Accidental Death and Dismemberment Insurance coverage for Your Dependents in force at the time of Your death may be continued, until the earliest of:

- 1) the date the coverage would otherwise have ended under the Dependent Termination provision;
- 2) the date Your Spouse remarries, dies, or obtains coverage under another group plan; or
- 3) 5 years from Your date of death.

Coverage continued under this provision will be Contributory Coverage and may not be increased.

Continuation for Dependent Child(ren) with Disabilities: *Will coverage for Dependent Children with Disabilities be continued?*

If Your Dependent Child(ren) reach the age at which they would otherwise cease to be a Dependent as defined, and they are:

- 1) age 26 or older; and

- 2) disabled; and
 - 3) primarily dependent upon You for financial support;
- then Dependent Child(ren) coverage will not terminate solely due to age. However:
- 1) You must submit proof satisfactory to Us of such Dependent Child(ren)'s disability within 31 days of the date he or she reaches such age; and
 - 2) such Dependent Child(ren) must have become disabled before attaining age 26.

Coverage under The Policy will continue as long as:

- 1) You remain insured;
- 2) the child continues to meet the required conditions; and
- 3) any required premium is paid when due.

However, no increase in the Amount of Dependent Accidental Death and Dismemberment Insurance for such Dependent Children will be available.

We have the right to require proof, satisfactory to Us, as often as necessary during the first two years of continuation, that the child continues to meet these conditions. We will not require proof more often than once a year after that.

Waiver of Premium: *Does coverage continue if I am Disabled?*

Waiver of Premium is a provision which allows You to continue Your and Your Dependent's Accidental Death and Dismemberment Insurance coverage without paying premium, while You are Disabled and qualify for Waiver of Premium.

If You qualify for Waiver of Premium, the amount of continued coverage:

- 1) will be the amount in force on the date You cease to be an Active Employee;
- 2) will be subject to any reductions provided by The Policy; and
- 3) will not increase.

Disabled: *What does Disabled mean?*

Disabled means You are wholly and continuously prevented from performing any work or occupation for wage or profit, for which You are reasonably qualified or trained, as a result of injury or sickness.

If You are in an occupation that requires You to maintain a license, Your failure to pass a physical examination required to maintain that license does not alone mean that You are disabled.

Conditions for Qualification: *What conditions must I satisfy before I qualify for this provision?*

To qualify for Waiver of Premium You must:

- 4) be covered under The Policy and be under age 60 when You become Disabled;
- 5) be Disabled and provide Proof of Loss that You have been Disabled for 3 consecutive month(s), starting on the date You were last Actively at Work; and
- 6) provide such proof within one year of the date You became Disabled.

Refund of Premium: *Will premiums be refunded if I am Disabled?*

When You are approved for Waiver of Premium, We will refund to You, or to Your estate if You have died, any premiums paid during the period You have been continuously Disabled.

When Premiums are Waived: *When will premiums be waived?*

If We approve Waiver of Premium, We will notify You of the date We will begin to waive premium. In any case, We will not waive premiums for the first 3 month(s) You are Disabled. We have the right to:

- 7) require Proof of Loss that You are Disabled; and
- 8) have You examined at reasonable intervals during the first 2 years after receiving initial Proof of Loss, but not more than once a year after that.

If You fail to submit any required Proof of Loss or refuse to be examined as required by Us then Waiver of Premium ceases.

However, if We deny Your application for Waiver of Premium, You may be eligible to convert coverage in accordance with the Conversion Right.

If You cease to be Disabled and return to work for a total of 30 days or less during the first 3 month(s) that You are Disabled, the 3 month(s) waiting period will not be interrupted. Except for the 30 days or less that You worked, You must

be Disabled by the same condition for the total 3 month(s) period. If You return to work for more than 30 days, You must satisfy a new waiting period.

Waiver Ceases: *When will Waiver of Premium cease?*

We will waive premium payments and continue Your coverage, while You remain Disabled, until the date You attain Normal Retirement Age if Disabled prior to age 60.

We will waive premium payments for Your Dependent Accidental Death and Dismemberment Insurance and continue such coverage, while You remain Disabled, until the earliest of the date:

- 1) You die;
- 2) You no longer qualify for Waiver of Premium;
- 3) The Policy terminates;
- 4) You attain age 60;
- 5) Your Dependents are no longer in an Eligible Class, or Dependent coverage is no longer offered; or
- 6) Your Dependent no longer meets the definition of Dependent.

What happens when Waiver of Premium ceases?

When the Waiver of Premium ceases:

- 1) if You return to work in an Eligible Class, as an Active Employee, then You may again be eligible for coverage for Yourself and Your Dependents, as long as premiums are paid when due; or
- 2) if You do not return to work in an Eligible Class, coverage will end and You and Your Dependent may be eligible to exercise the Conversion Right for You and Your Dependents if You do so within the time limits described in such provision. The Amount of Accidental Death and Dismemberment Insurance that may be converted will be subject to the terms and conditions of the Conversion Right.

Effect of Policy Termination: *What happens to the Waiver of Premium if Policy terminates?*

If The Policy terminates before You qualify for Waiver of Premium:

- 1) You may be eligible to exercise the Conversion Right, provided You do so within the time limits described in such provision; and
- 2) You may still be approved for Waiver of Premium if You qualify.

If The Policy terminates after You qualify for Waiver of Premium:

- 1) Your Dependent coverage will terminate; and
- 2) Your coverage under the terms of this provision will not be affected.

Exercise of Conversion Right: *What happens to the Waiver of Premium Provision if I convert my coverage?*

If You exercise Your right under the Conversion Right, this Waiver of Premium provision will automatically terminate. However, You may still be eligible for this Waiver of Premium provision, if, within 12 months of conversion of Your coverage to an individual policy:

- 1) You fulfill all the conditions of the Waiver of Premium provision; and
- 2) You surrender the individual policy and all benefits and payments under the individual policy except for any refund of premiums.

Conversion Right: *If my coverage under The Policy ends, do I have a right to conversion?*

If You or Your Dependents cease to be covered under The Policy because You cease to be eligible for coverage and:

- 1) The Policy has not terminated; and
- 2) You have paid any required premium;

You have a Conversion Right as provided below.

The Conversion Right allows You to request coverage under a conversion policy from the Insurer, without giving medical evidence of insurability, to cover Yourself and Your Dependents who are covered under The Policy on the date Your coverage ceases. Dependents who continue to be covered under The Policy in the same or a different class cannot be covered under Your converted policy.

Insurer, as used for this Conversion Right, means Us or another insurance company which has agreed with Us to issue converted policies according to this conversion right.

You must:

- 1) give the Insurer a written request for the converted policy; and
- 2) pay the Insurer the initial premium;

within 31 days after You cease to be covered under The Policy.

The Conversion Right will provide a converted policy that:

- 1) will have the provisions, limitations and exclusions on the form the Insurer is issuing for this purpose at conversion;
- 2) will provide coverage on a twenty four hour a day basis;
- 3) will provide benefits for Accidental Death and Dismemberment alone;
- 4) will take effect on the date You cease to be covered under The Policy;
- 5) may exclude any condition excluded by The Policy;
- 6) will not pay for any loss covered by The Policy;
- 7) will provide a Principal Sum for You which will be:
 - a) the amount of Your Principal Sum under The Policy on the date of conversion, rounded to the nearest \$1,000, subject to a minimum of \$25,000.00 and a maximum of \$250,000, if You are under age 70;
 - b) \$25,000.00, if You are age 70 or older but less than age 75; or
 - c) \$12,500.00, if You are age 75 or older;
- 8) will have premiums based on the Insurer's rates in effect for new applicants of Your class and age at conversion.

The Principal Sum amounts for Your Dependents who become covered under the converted policy will be the amounts We are offering for this purpose at conversion.

Reinstatement after Military Service: *Can my coverage be reinstated after return from active military service?*

If:

- 1) Your coverage terminates because You enter active military service; and
- 2) You are rehired within 12 months of the date Your coverage terminated;

then coverage for You and Your previously covered Spouse/Dependents may be reinstated, provided You request such reinstatement within 31 days of the date You return to work.

The reinstated coverage will be the same coverage amounts in force on the date coverage terminated and will be subject to all the terms and provisions of The Policy.
